

## INDEX

- Adelman, M. A., 44n, 116, 130n, 147n, 155n, 171n, 228, 239n, 253n, 279, 281n, 382n
- Alexander, Sidney S., 262n, 288n
- Allied Chemical and Dye Corp., 208-209
- Allis Chalmers Manufacturing Co., 160n, 198
- American Hide and Leather Co., 160n, 197
- American Ice Co., 160
- American Tobacco Co., 206-207
- Andrews, P. W. S., 365n, 366n, 367, 368, 370, 371n, 375, 381, 382n, 387, 388, 389, 391
- Automobile industry, *see* Motor vehicle industry
- Backman, Jules, 444n, 446n, 447n, 450, 457
- Bain, Joe S., 94n, 119n, 120n, 125n, 127, 128, 129, 134, 374n, 375n
- Baker, Henry D., 162n
- Balderston, Frederick E., 321n
- Barkin, S., 187n
- Basing-point systems, 406-408
- Basset, William R., 155
- Berger, J. G., 228
- Berle, Adolf A., 57n, 200
- Bissel, R. M., Jr., 441n
- Blair, John M., 44n, 60n, 63n, 176, 177, 184, 185n, 220n, 224n, 227
- Bollinger, Lynn L., 245n
- Borden Co., 41-42
- Borts, George H., 228, 229n
- Boulding, Kenneth E., 124n
- Bressler, Raymond G., Jr., 228
- Brown, Donaldson, 361n, 365n
- Brumberg, Richard, 231n
- Buchanan, Norman S., 122n
- Bullock, Charles J., 142n
- Burns, Arthur F., 150n
- Burns, Arthur R., 119n, 376n, 377n
- Butters, J. Keith, 60n, 153n, 174n, 176, 177, 178n, 179, 183n, 184, 185, 186, 188n, 245n, 251n, 253n, 258n, 261n, 269n, 270n, 272n, 292n
- Carnation Co., 41-42
- Cary, W. L., 153n, 174n, 179, 183n, 188n, 253n, 269n, 270n, 272n
- Cassady, Ralph, Jr., 400n, 403n
- Chamberlin, Edward H., 119n, 122n, 125n, 133n, 362n, 386, 389
- Chenery, Hollis B., 221, 222, 227
- Clark, John Maurice, 119n, 352
- Clemens, Eli W., 438
- Coase, R. H., 282n
- Collier, W. M., 154, 155n
- Competition, concepts of, 119-123
- Conant, Luther, Jr., 146n, 147, 148, 150, 157n, 162n
- Concentration: actual data on Canada, by industry, 66-68; actual data on U.K., by industry, 74-75; actual data on U.S., by industry, 65, 74-75, 90; comparison of, in U.S. and U.K., 70-77; concepts and definitions, 5-6, 42-49, 57-63; effect of taxes on, 9-11, 179, 239-280; effect on allocation of resources, 104-106, 124, 128-129, 431-432; effect on distribution of social and political power, 103, 345-348, 351-352, 358-359; effect on efficiency of the firm, 106-108; effect on income distribution, 102-103; effect on rate of technological progress, 108-109, 113-114; and full-cost pricing, 14, 373-378; measurement of, *see* Measurement of concentration; and price behavior, 12-14, 373-379; and price discrimination, 13, 399-400, 431-432; and price flexibility, 13, 134-135, 361, 447-449, 455, 460-462, 488-489, 496, 501-505; significance of, in relation to monopoly power, 7, 44-45, 48-49, 57, 95-97, 109, 113-115, 130-136, 155-156; sources of data on, 16-17; trends in, 77-83; *see also* Conglomerate firms, Monopoly power, and Size of firm
- Conglomerate firms: concepts and definitions, 331-333, 352-359; creation through mergers, 171-173, 207-209; insulation from market forces, 350-352, 358-359; manifestations of power, 337-352; sources of power, 12, 334-337, 353-357; and traditional monopoly theory, 12, 352-359; *see also* Concentration, Monopoly power, and Size of firm
- Cooper, W. W., 372n
- Corn Products Refining Co., 207

## INDEX

- Cost: definitions of, 215, 235-237; measurement of, 230-235; relation of changes in, to price changes, 365-366, 383-388, 390-392, 447-449, 453-458, 465-500; relation to rate of output, 369-373 (*see also* Economics of scale)
- Cross elasticities of demand, use of to distinguish markets, 4-5, 50-55, 124-127, 139
- Crowder, Walter F., 45n, 59n, 88, 93, 130n, 148n, 150, 284n, 321n, 447n
- Crum, William Leonard, 225, 259n
- Curtis, Roy E., 155n
- Dairy products industry, 41-42, 171-172
- David, F. N., 90n
- Dean, Joel, 362n, 364n, 365n, 368, 370n, 374, 376, 379
- Debreu, Gerard, 104n
- Demand, influence of, in full-cost pricing, 366-367, 374-375, 388-390
- De Podwin, Horace J., 278n
- Dewing, A. S., 144n, 148n, 154, 160n, 164, 167n, 172, 173
- Discrimination in favor of large firms, 337-340; *see also* Price discrimination
- Dobrovolsky, Sergei P., 253
- Dumping, 409-410
- Dunlop, John T., 365n, 374n, 447, 448, 453, 454, 457, 459, 463n, 472n, 494n
- Du Pont (E. I.) de Nemours & Co., 209
- Economies of scale: concepts and definitions, 214-220, 235-238; empirical studies of, 223-230; methods of measuring, 8, 220-223, 231-232, 236-237; and specialized factors of production, 233-235
- Edwards, Corwin D., 130n
- Edwards, George W., 203, 204
- Edwards, R. S., 394
- Ely, Richard T., 154
- Establishment, definition of, 21-24
- Fabricant, Solomon, 473, 480, 483
- Farnham, Dwight D., 172n
- Farrell, M. J., 388n
- Fellner, William, 114n, 121n, 125n, 362n, 367n, 368, 391n
- Ferguson, Allen Richmond, 218, 221, 222, 227
- Fetter, Frank A., 406n
- Florence, P. Sargent, 227
- Frickey, Edwin, 156n
- Friedman, Milton, 254
- Full-cost pricing: compared with actual business practice, 383-385; definition of, 361-366, 375; as an indication of monopolistic behavior, 14; and influence of demand, 366-367, 388-396; and price leadership, 375-377; and types of markets, 368-369; under collusive arrangements, 376-378; under oligopoly, 373-376, 378; and traditional price theory, 377-378, 390-396
- Galbraith, J. K., 462
- Garbarino, Joseph W., 487
- Georgescu-Roegen, Nicholas, 193n
- Gibrat, R., 61
- Gordon, R. A., 151n, 391n
- Gulick, C. A., Jr., 143n, 155
- Guthrie, J. A., 374n
- Hall, R. L., 361, 364n, 365, 366n, 367, 368, 373, 375, 376, 377n, 391n
- Hansen, Alvin H., 152n
- Harrod, Roy F., 362n, 363, 364, 365, 366n, 368, 369n, 377-378, 388, 389, 391, 461, 462
- Hayek, Friedrich A., 119n, 123n
- Hefebower, Richard B., 382n, 387n, 390n
- Herfindahl, Orris C., 60, 62n, 77, 78
- Hession, C. H., 374n
- Hitch, C. J., 361, 364n, 365, 366n, 367, 368, 373, 375, 376, 377n, 391n
- Homan, Paul T., 155n, 183n
- Horizontal integration, 111-112; *see also* Concentration, Conglomerate firms, and Measurement of concentration
- Houghton, Harrison F., 176, 177, 184, 185n
- Humphrey, Don D., 444n
- Industry classification: auxiliary units and central administrative offices, 23-24, 37; concepts, definitions, and principles of classification, 3-5, 17-28, 40-55, 87-89; and consumer substitution, 4-5, 50-55, 124-127; homogeneity of industries, 4, 18-21, 30-31, 33, 87-89; and the measurement of concentration, 3-5, 15-18, 42-45, 117, 130-133, 211-212, 277-278; primary activity coverage, 20-21, 34; relation to product classification, 18-21, 30-31, 33-35, 38, 42-45, 49-55, 87-89; use of the "resistance factor" in, 27-28, 37n, 47

## INDEX

- International Harvester Co., 206  
 International Mercantile Marine Co., 160-161  
 International Steam Pump Co., 160n, 198
