Acknowledgments

This volume consists of papers presented at the Japan Center for Economic Research–National Bureau of Economic Research Joint Conference on Labor Markets and Firm Benefits Policies held in Hawaii in January 2000. Financial support from the U.S. Department of Health and Human Services, National Institute on Aging (grants P01-AG05842 and P20-AG12810); the Japan Foundation Center for Global Partnership; Japan's National Institute for Research Advancement; and the Toyota Foundation is gratefully acknowledged. The conference also received support from Toyota Motor Corporation, IBM Japan, Nippon Telegraph and Telephone Corporation, and Japan Tobacco, Inc. Additional funding sources are noted in individual papers.

The editors wish to thank Leemore Dafny and Bengte Evenson for their help in editing the papers, and Richard Woodbury for his help in putting together the introduction to the volume.

Any opinions expressed in this volume are those of the respective authors and do not necessarily reflect the views of the National Bureau of Economic Research, the Japan Center for Economic Research, or the sponsoring organizations.
