

This PDF is a selection from a published volume from the  
National Bureau of Economic Research

Volume Title: Accelerating Energy Innovation: Insights from  
Multiple Sectors

Volume Author/Editor: Rebecca M. Henderson and Richard G.  
Newell, editors

Volume Publisher: University of Chicago Press

Volume ISBN: 0-226-32683-7  
ISBN13: 978-0-226-32683-2

Volume URL: <http://www.nber.org/books/hend09-1>

Conference Date: April 3, 2009

Publication Date: May 2011

Chapter Title: Indexes

Chapter Authors: Rebecca M. Henderson, Richard G. Newell

Chapter URL: <http://www.nber.org/chapters/c12883>

Chapter pages in book: (261 - 274)
