as revised November 21, 1949,
and April 20, 1968)*

PREFATORY NOTE

This volume of *Studies in Income and Wealth* contains the papers presented at the Conference on the Distribution of Economic Well-Being, held at the University of Michigan on May 15-17, 1974. We are indebted to the University for making the Rackham Amphitheatre facilities available to us, to the Program Committee consisting of F. Thomas Juster who served as chairman and conference editor and James D. Smith, to the National Science Foundation for its support, to Ruth Ridler for preparing the volume for press, and to the late H. I. Forman for drawing the charts.
