# Preface

This volume consists of papers presented at a conference held at Château Beychevelle, Saint Julien, France, in May 1997. The papers are part of an ongoing project on social security and labor supply organized through the Program on the Economics of Aging at the National Bureau of Economic Research. Funding for organizing the project was provided by National Institute on Aging grant P20-AG12810 to the National Bureau of Economic Research. Funding for individual papers is noted in specific paper acknowledgments.

Any opinions expressed in this volume are those of the respective authors and do not necessarily reflect the views of the National Bureau of Economic Research or the sponsoring organization.
