

This PDF is a selection from an out-of-print volume from the National Bureau of Economic Research

Volume Title: Developing Country Debt and the World Economy

Volume Author/Editor: Jeffrey D. Sachs, editor

Volume Publisher: University of Chicago Press, 1989

Volume ISBN: 0-226-73338-6

Volume URL: <http://www.nber.org/books/sach89-3>

Conference Date: September 21-23, 1987

Publication Date: 1989

Chapter Title: Subject Index

Chapter Author: Jeffrey D. Sachs

Chapter URL: <http://www.nber.org/chapters/c7539>

Chapter pages in book: (p. 329 - 335)

---

# Subject Index

- Adjustment programs. *See* Structural adjustment programs; Stabilization programs
- African nations, 1, 266, 277, 315
- Agricultural sector, 15, 269–70, 309
- Arab nations, loans to, 227. *See also specific country*
- Argentina: Austral plan, 38, 46, 47t, 264, 273; bank exposure to, 11; capital flight from, 41, 43; central bank borrowing, 43–44; corruption in, 68; creditworthiness of, 50; debt and, 3, 37–47, 233; deficits in, 37–38, 46; devaluations and, 44–45; economic performance in, 4t; economic policies of, 37, 41; exchange rates and, 39–45; fiscal policies of, 46–47, 50; IMF and, 49; income per capita, 38, 39t; inflation and, 37–43; 46–47, 283; interest rates and, 46; investment rates in, 49; middle-class and, 215; politics in, 37, 50, 273; price levels and, 46–47; private sector confidence in, 268; resource transfers of, 18; stabilization plans in, 38, 42; standard of living in, 49; taxes in, 37
- Australia, standard of living in, 38
- Authoritarian governments, 270, 273
- Baker Plan, 93, 193, 253
- Banks. *See* Central banks; Commercial banks
- Baring panic (1890), 38
- Bolivia: capital flight from, 67–68; class conflicts in, 58, 62–63; cocaine industry in, 68; commodities and, 19, 68; cotton boom in, 68; debt and, 3, 57–79; deficits and, 73; devaluations and, 67, 258; economic development in, 60–65, 78–79; economic performance, 4t; employment, 78; exchange rate and, 67, 72–73; exports of, 60–62, 67–68; fiscal policies of, 213–14; GDP growth, 67; government revenues, 69–73, 76–77; income distribution, 58–59, 63, 65, 79; inflation and, 27, 57, 64–65, 69, 71–76; interest rates and, 69; labor and, 69; mining sector, 58, 60–62; money printing, 69, 71–72; politics in, 12, 57–58, 60–65, 68; price levels and, 69; resource transfers of, 18; stabilization process and, 74–78
- Bolivian Revolution, 62
- Bonds: bank loans vs., 247; exit, 316; global returns on, 229–30; 1920s yields, 240; nominal returns on, 228; pricing of, 240–42
- Brazil: bank exposure to, 11; Citicorp and, 8; creditworthiness, 50, 84; Cruzado plan, 85–87, 91, 213, 273; debt and, 3, 81–98; default of, 265, 267, 314; deficits of, 22, 83, 87, 88–90, 112–13; devaluations and, 83–84; economic development in, 81, 92–93; economic performance in, 4t; exchange

- Brazil (*continued*)  
 rates and, 21, 83, 98t; exports and, 81–82, 85, 90–92, 114; fiscal policies in, 22, 213; gross domestic investment, 96t; growth rates, 94t; IMF and, 84–85, 279; import substitution and, 90–92; inflation and, 22, 81, 85–90; oil revenues, 82; political cycles, 273; resource transfers of, 18, 81; savings in, 96t; shocks and, 82–85, 90; terms of trade, 98t
- Budget deficits, 6, 18–19, 29–31, 47. *See also specific country*
- Business cycle, political cycles and, 272
- Business-government relations, adjustment programs and, 268
- Canada, standard of living in, 38
- Capital flight, 319; central banks and, 12–13; debt maturity structure and, 115; determination of, 44; exchange rates and, 13, 101; mechanics of, 12–13; 1980–81, 9; overvaluations and, 251; taxes and, 317; through trade invoice faking, 152. *See also specific country*
- Capital flows, 257, 285–98, 300
- Capital formation, 1, 92. *See also Capital markets*
- Capital goods, imports of, 163
- Capital markets: access to, 242, 314; commodity prices and, 19; debt relief and, 23; global economy and, 4; inflation and, 45; supply shocks and, 84; U.S. and, 237–48; welfare gains and, 112. *See also Capital formation*
- Central banks, 12–13, 22, 107
- Central European nations, 3, 239
- Chaco War, 62
- Chile, 283, 293, 295, 319
- Citicorp (firm), 8
- Class differences, taxation and, 215
