Preface

This volume consists of papers presented at a joint Japan Center for Economic Research–National Bureau of Economic Research conference held in Hakone, Japan, in September 1993. Financial support from the Department of Health and Human Services, the National Institute on Aging (grants P01-AG05842 and R37-AG08146), and the Japan Foundation Center for Global Partnership is gratefully acknowledged.

Any opinions expressed in this volume are those of the respective authors and do not necessarily reflect the views of the National Bureau of Economic Research, the Japan Center for Economic Research, or the sponsoring organizations.
