Acknowledgments

This volume contains edited versions of papers presented at the NBER–East Asia Seminar on Economics’ eighth annual conference, held in Taipei, Taiwan, on 19–21 June 1997.

We are indebted to members of the program committee who organized the conference, and to Chung-Hua Institution, Taipei; the Hong Kong University of Science and Technology; Korea Development Institute, Seoul; the National University of Singapore; and the Tokyo Center for Economic Research.

President Chao-Cheng Mai and Vice President Hong Hwang of the Chung-Hua Institution were the local hosts. All conference participants are grateful for the excellent organization and hospitality supporting the conference.

The National Bureau of Economic Research provided logistical support, as well as support for the North American–based conference participants and some of the Asian participants. We are greatly indebted to the NBER, as well as to the Asian institutions that support the research and this series of conferences.
