### **WORKSHOP INFORMATION**

Please see the enclosed chart of workshops for the location of your meetings. In general, all Development of the American Economy and International Trade and Investment workshops will meet at 1050 Massachusetts Avenue. All other workshops (Asset Pricing, Aging, Corporate Finance, Economic Fluctuations, International Finance, Health Care, Monetary Economics, Productivity and Public Economics) will meet at the Royal Sonesta Hotel, 5 Cambridge Parkway, Cambridge, MA.

Updated versions of the programs for the Summer Institute are available by clicking "Summer Institute 2002" on the NBER's Conference Department home page at [www.nber.org/~confer](http://www.nber.org/~confer). Click on the workshop you are interested in to see the latest version of the program. Copies of many of the papers scheduled for presentation will also be made available on the SI02 homepage approximately two weeks prior to the workshop.

**PLEASE NOTE:** "y" next to your workshop indicates that we have received your reply form and you will be attending that workshop; "n" indicates that you will not be attending; and any workshop not designated with a "y" or "n" indicates that we have not received your reply form as of this mailing and urge you to return it to us as soon as possible.
