Dear Andrea:

I would like to invite you to attend the NBER's Economics of Information Technology and Digitization workshop that we are organizing. We will be meeting on July 18 and 19 at the Royal Sonesta Hotel, 40 Edwin H. Land Blvd, Cambridge, Massachusetts. The preliminary program can be found at <http://papers.nber.org/sched/SI19PRIT>

Further Summer Institute information, including programs (when available) and information for authors, can be found on the Summer Institute 2019 page at <https://conference.nber.org/confer/2019/SI2019/SI2019.html>. Papers will also be available on this site before the workshop.

Morning coffee and pastries as well as lunch will be provided. There will also be a group dinner for workshop participants held on July 18. Please indicate on the reply form if you would like to attend.

All Summer Institute participants will receive a confirmation via email prior to their workshop(s). Please read your confirmation carefully as it will contain important information. If any of the information on your confirmation is incorrect or if you do not receive a confirmation letter two weeks prior to your workshop, please contact someone in the NBER's conference department immediately.

I hope you will be able to join us this summer.

Sincerely,

Rob Shannon
