

Senior Health Economist – The Department of Healthcare Policy and Research at Weill Cornell Medical College seeks an economist at the full professor or advanced associate professor level. The candidate should have a strong interest in collaborative research, mentoring of junior faculty, and one or more of the following areas: the healthcare delivery system, health information technology, incentives for providers, population health, and/or competition in health care markets. Please send a letter of interest and CV to: [ccratre@med.cornell.edu](mailto:ccratre@med.cornell.edu)
