I. 2011 Tsinghua-Columbia Conference in International Economics

清华大学-哥伦比亚大学国际经济学会议

Keynote Speakers:

Andrew K. Rose (University of California, Berkeley, NBER, and former Managing Editor of Journal of International Economics)

Takatoshi Ito (University of Tokyo, NBER, and former Deputy Vice Minister for International Affairs in Japan)

Organizers:

The Chazen Institute of International Business at Columbia Business School

The Center for International Economic Research at the Tsinghua University

National Institute for Fiscal Studies at the Tsinghua University

In collaboration with European Central Bank

Topics:

This 3rd annual Tsinghua-Columbia conference in International Economics welcomes papers in all areas of international finance, open-economy macroeconomics, and international trade, including interactions between international trade and macroeconomics.

Possible topics include but not limited to

1. International capital flows
2. Global current account imbalances
3. Exchange Rates
4. International financial crises
5. Structural adjustments and international trade
6. Firm and industrial dynamics and international trade
7. International trade and its interactions with finance and/or macroeconomics

Language used at the conference: English

The Organizing Committee:

Chong-En Bai (baichn@sem.tsinghua.edu.cn)

Jiandong Ju (jujd@sem.tsinghua.edu.cn)

Qing Liu (liuqing@sem.tsinghua.edu.cn)

Shang-Jin Wei (shangjin.wei@columbia.edu)

Submission

If you are interested in presenting a paper at the conference, please submit it by March 27, 2011 to: <https://editorialexpress.com/conference/TWIE2011>. Successful authors will be notified by April 20, 2011. The conference's webpage is: <http://www.twmacro.org/TWIE2011>, which is updated periodically as more information becomes available. If you have any question, please contact the organizers by sending an email to Qing Liu at liuqing@sem.tsinghua.edu.cn and Jianing Zeng at zengjn@sem.tsinghua.edu.cn.
