International Finance: The Elliott School of International Affairs and the Department of Economics at the George Washington University invite applications for a tenured faculty position in International Finance at the rank of Associate Professor. The appointment will begin in academic year 2012-13. The position involves teaching undergraduate and graduate students in the Elliott School, the Department of Economics, and the university as a whole. The position is based in the Elliott School's Institute for International Economic Policy and the school's M.A. program in International Trade and Investment Policy.

Basic qualifications: A Ph.D. in economics with expertise in international finance. Applicants must have high quality publications, teaching experience or potential as evidenced by course evaluations or teaching assessments, and an interest in policy issues that will support the mission of the Elliott School.
