Dear Mr. Healy,

I am writing to apply for the position of Post-Doctoral Research Fellow in the NBER Innovation Policy Fellowship. This position was advertised to one of my academic advisors, Amy Finkelstein, who suggested that I apply.

I am currently a doctoral student at the Massachusetts Institute of Technology working on my dissertation, "Essays on Health Care Economics and Productivity." I expect to receive my PhD in Economics from MIT in June 2014. My dissertation advisors are Professors Amy Finkelstein, Michael Greenstone, and Jonathan Gruber.

Included in this submission are copies of my CV and a proposal for research that I would do during my time as a research fellow. Please do not hesitate to get in touch if you need any additional information.

I look forward to hearing from your committee.

Most Sincerely,

A handwritten signature in black ink that reads "Adam Sacarny". The signature is written in a cursive, flowing style with a long horizontal stroke at the end.
