Mr. Denis Healy
National Bureau of Economic Research
Innovation Policy Working Group
1050 Massachusetts Ave.
Cambridge, MA 02138

Dear Mr. Healy:

I am writing in response to the NBER Innovation Policy Working Group's 2012-2013 call for research grant proposals. My proposal titled "Incremental Innovation and Patent Policy in the Pharmaceutical and Medical Device Industries" and two-page curriculum vitae are attached. Please note that I wish to be considered for the research grant award rather than the post-doctoral fellowship mentioned in the same announcement. Feel free to contact me if you have any questions regarding my submission.

Thank you for your attention to this matter. I look forward to hearing from the Working Group in February 2012.

Sincerely,

Andrew Mulcahy, Ph.D., M.P.P.
Associate Policy Researcher
