Size, pages: 5 pages

Title: Hillside; Memorandum to the Committee on Place of Hillside in the Work of the National Bureau, April 27, 1949

Author(s): William J. Carson

Copy number:

Year, month: April 1949

Volume number/section/part:

Locator label: CF 5

Comments by:

Notes on document quality: handwritten notes on first page

Description (about 200 words): this document contains information about the appointment of the committee on Place of Hillside in the Work of the National Bureau, date and terms of acquisition, uses of Hillside, and a table of receipts and expenditures from 1938-1948

DOCUMENT NAME: Railroad Services in the United States: A Cross-Section Study, 1928 and 1936; Proposed Technical Paper 8

Document type: proposed technical paper

Size, pages: 88 pages

Title: Railroad Services in the United States: A Cross-Section Study, 1928 and 1936

Author(s): Lawrence R. Klein

Copy number:

Year, month:

Volume number/section/part:

Locator label: CF 3

Comments by:

Notes on document quality: name written in pencil on title page

Description (about 200 words):

DOCUMENT NAME: Computation of the National Bureau's Business Cycle Measurement; Tables R1, 2, 3, and 4 – Monthly Data Compiled

Document type: data

Size, pages: 76 pages

Title: Computation of the National Bureau's Business Cycle Measurement; Tables R1, 2, 3, and 4 – Monthly Data Compiled

Author(s): NBER

Copy number:

Year, month:

Volume number/section/part:

Locator label: MB 2

Comments by:

Notes on document quality:

Description (about 200 words):

DOCUMENT NAME: Changes in the Recession Behavior of Wholesale Prices in the 1920's and Post-World War II

Document type: working paper

Size, pages: 65 pages plus 2 pages abstract

Title: Changes in the Recession Behavior of Wholesale prices in the 1920's and Post-World War II

Author(s): Phillip Cagan

Copy number: 1

Year, month: July 1974

Volume number/section/part:

Locator label: MB 1

Comments by:

Notes on document quality: contains unbound 2 page abstract, handwritten note on cover

Description (about 200 words): "The present study examines the recession behavior of wholesale prices since World War II and compares it with the mild recessions of the 1920's. The focus is on changes in recession behavior, possible bias in the data, and the differences in behavior among various groups of wholesale prices."

Document type: preliminary working paper

Size, pages: 83 pages

Title: British Investment in the United States, 1860-1880

Author(s): John J. Madden

Copy number:

Year, month:

Volume number/section/part: 24

Locator label: CF 1

Comments by:

Notes on document quality: missing front and back cover, handwritten notes on title page

Description (about 200 words): "The purpose of this paper is to present an estimate of the volume of British investment in the United States during the period 1860 to 1880 when the latter had adopted an inconvertible paper currency and a freely fluctuating exchange rate."

DOCUMENT NAME: The NBER Survey of Research into Poverty Labor Markets: Final Report

Document type: working papers

Size, pages: 264 pages

Title: Author(s): Finis Welch, Frances Selhorst, David M. Gordon, Joseph Persky, Jacob Mincer, Masanori Hashimoto, Jacob Mincer, Sherwin Rosen

Copy number:

Year, month: January 1972

Volume number/section/part:

Locator label: MB 1

Document type: report

Size, pages: unnumbered

Title: A History and Description

Author(s): Financial Research Program

Copy number:

Year, month: November 1941

Volume number/section/part:

Locator label: OB 1

Comments by:

Notes on document quality: tied in a bundle with Parts I, III, IV and V of The Corporate Bond Project and "Trends in Corporate Bond Quality"

Description (about 200 words): "This report outlines the origin and development of the project, describes the several parts into which the work was divided, and indicates the type of analytical studies which the collected data will make possible."

DOCUMENT NAME: The Corporate Bond Project Organization and Methods – Part I

Document type: report

Size, pages: 58 pages

Title: Organization and Administration of the Corporate Bonds Project

Author(s): Harold G. Fraine, Melvin W. Brethouwer

Copy number: 2

Year, month: February 1944

Volume number/section/part: Part I

Locator label: OB 1

Comments by:

Notes on document quality: tied in a bundle with “A History and Description”, Parts III, IV, V of The Corporate Bond Project, and “Trends in Corporate Bond Quality”

Description (about 200 words): This document contains information on the organization of statistical records in relation to research and the administration of the Corporate Bond Project.

DOCUMENT NAME: The Corporate Bond Project Organization and Methods – Part III

Document type: report

Size, pages: 177 pages

Title: The Record of Issue and Extinguishment Characteristics of Corporate Bonds, 1900-38

Author(s): George P. Hitchings

Copy number: 2

Year, month: June 1944

Volume number/section/part: Part III

Locator label: OB 1

Comments by:

Notes on document quality: tied in a bundle with "A History and Description," Parts I, IV, V of The Corporate Bond Project, and "Trends in Corporate Bond Quality"

Description (about 200 words): "This memorandum is concerned with the Record of Issue and Extinguishment Characteristics, which, as its name implies, provides data on the characteristics of bonds at time of offering and at time of extinguishment and on the investment experience over the period between these two dates."

DOCUMENT NAME: The Corporate Bond Project Organization and Methods – Part IV

Document type: report

Size, pages: 103 pages

Title: The Record of Corporate Bond Defaults, 1900-38

Author(s): George P. Hitchings

Copy number: 2

Year, month: July 1944

Volume number/section/part: Part IV

Locator label: OB 1

Comments by:

Notes on document quality: tied in a bundle with “A History and Description”, Parts I, III, and V of The Corporate Bond Project, and “Trends in Corporate Bond Quality”

Description (about 200 words): “The Default Record provides material for an intensive examination of [approximately 1000 defaulted bonds referred to in the Record of Issue and Extinguishment Characteristics]”

DOCUMENT NAME: The Corporate Bond Project Organization and Methods - V

Document type: report

Size, pages: 287 pages

Title: The Periodic, Annual and Monthly Records of Corporate Bond Experience, 1900-40

Author(s): W. Braddock Hickman

Copy number: 2

Year, month: December 1942

Volume number/section/part: Part V

Locator label: OB 1

Comments by:

Notes on document quality: front and back covers tearing at seam, tied in a bundle with "A History and Description," Parts I, III, and IV of The Corporate Bond Project, and "Trends in Corporate Bond Quality"

Description (about 200 words): "...this group of records contains descriptive material relating to bond quality and value for all bonds outstanding on particular observation dates."

DOCUMENT NAME: The Corporate Bond Project Organization and Methods – Trends in Corporate Bond Quality

Document type: computer generated data

Size, pages:

Title: Trends in Corporate Bond Quality

Author(s): Thomas R. Atkinson

Copy number:

Year, month: 1967

Volume number/section/part:

Locator label: OB 1

Comments by:
