

February, 2003

CURRICULUM VITAE

Richard H. Steckel
2277 Abington Road
Columbus, OH 43221

Professor of Economics
& of Anthropology
Ohio State University
and Research Associate,
National Bureau of Economic
Research

Home Phone: 614-488-7438

Office Phone: 614-292-5008 e-mail: steckel.1@osu.edu

PERSONAL: Born June 28, 1944; U.S.A. Citizenship; Married, 2 children

EDUCATION: University of Chicago, M.A. (Economics), 1973; Ph.D. (Economics), 1977
University of Oklahoma, M.A. (Economics), 1970; M.A. (Mathematics), 1970
Oberlin College, A.B. (Economics), 1966

PROFESSIONAL AND RESEARCH PUBLICATIONS

Books

The Backbone of History: A History of Health and Nutrition in the Western Hemisphere,
edited with Jerome C. Rose (New York: Cambridge University Press, 2002).

A Population History of North America, edited with Michael Haines (New York:
Cambridge University Press, 2000).

Health and Welfare during Industrialization, edited with Roderick Floud (Chicago:
University of Chicago Press, 1997).

The Economics of U.S. Slave and Southern White Fertility (New York: Garland Press,
1985).

Articles

“What Can Be Learned from Skeletons that Might Interest Economists, Historians and Other
Social Scientists?” American Economic Review (paper and proceedings),
forthcoming 2003.

“New Light on the ‘Dark Ages’: The Remarkably Tall Stature of European Men during the
Medieval Era.” Social Science History (forthcoming 2003).

- “Entrepreneurial Activity and Wealth Inequality: An Historical Perspective,” with Carolyn Moehling. In Doug Holtz-Eakin and Harvey Rosen (eds.), Public Policy and the Economics of Entrepreneurship (Cambridge: MIT Press, forthcoming 2003).
- “Malnutrition and Dietary Protein: Comment,” Food and Nutrition Bulletin (forthcoming 2003).
- “A History of the Standard of Living in the United States.” EH.Net Encyclopedia, edited by Robert Whaples, July 22, 2002. URL <http://www.eh.net/encyclopedia>.
- “Research Project: A History of Health in Europe from the Late Paleolithic Era to the Present.” Economics and Human Biology 1 (2003), 139-142.
- “Nutritional Success on the Great Plains: Nineteenth Century Equestrian Nomads,” with Joseph Prince, Journal of Interdisciplinary History 33 (Winter 2003), 353-84.
- “A Global History of Health: The Evolution of a Research Agenda.” Physical Anthropology 3 (Spring 2002): Pp. 3-4.
- “Historical Perspective On The Standard of Living Using Anthropometric Data.” In Edward N. Wolff (ed.), What Has Happened to the Quality of Life in the Advanced Industrial Nations? London: Edward Elgar (forthcoming).
- “Skeletal Health in the Western Hemisphere from 4000 B.C. to the Present,” with Jerome C. Rose, Clark Spencer Larsen and Phillip L. Walker, Evolutionary Anthropology 11 (2002), 142-55.
- “Variation in Health in the Western Hemisphere: 4000 B.C. to the Present.” With Jerome C. Rose, Clark Spencer Larsen and Phillip L. Walker. In M. Schultz et al. (eds.), Homo – unsere Herkunft und Zukunft: 4. Kongress der Gesellschaft für Anthropologie (GfA). Göttingen: Cuvillier Verlag, 2001. Pp. 270-75.
- “A Health Index from Skeletal Remains.” With Paul W. Sciulli, and Jerome C. Rose. In Richard H. Steckel and Jerome C. Rose (eds.), The Backbone of History: Health and Nutrition in the Western Hemisphere. New York: Cambridge University Press (2002). Pp. 61-93.
- “The Health of Slaves and Free Blacks in the East.” With Ted A. Rathbun. In Richard H. Steckel and Jerome C. Rose (eds.), The Backbone of History: Health and Nutrition in the Western Hemisphere. New York: Cambridge University Press (2002). Pp. 208-25.
- “Patterns of Health in the Western Hemisphere.” With Jerome C. Rose. In Richard H. Steckel and Jerome C. Rose (eds.), The Backbone of History: Health and Nutrition in the Western Hemisphere. New York: Cambridge University Press (2002). Pp. 563-79.
- “Conclusions.” With Jerome C. Rose. In Richard H. Steckel and Jerome C. Rose (eds.), The Backbone of History: Health and Nutrition in the Western Hemisphere. New York: Cambridge University Press (2002). Pp. 583-89.

- “Skeletal Health in the Western Hemisphere from 4000 B.C. to the Present,” with Jerome C. Rose, Clark Spencer Larsen and Phillip L. Walker, Evolutionary Anthropology (forthcoming 2002)
- “Health Indicators of the Standard of Living,” Indicators: The Journal of Social Health 1 (2002), 139-59.
- “Tallest in the World: Native Americans of the Great Plains in the Nineteenth Century,” with Joseph Prince, American Economic Review 91 (2001), 287-94.
- “Rising Inequality: Trends in the Distribution of Wealth in Industrializing New England,” with Carolyn Moehling, Journal of Economic History 61 (2001), 160-183.
- “Trends in the Social Science History Association Meetings, 1976-1999.” SSHA Newsletter, Winter 2001.
- “Childhood Mortality and Nutritional Status as Indicators of the Standard of Living: Evidence from World War I Recruits in the United States,” with Michael R. Haines, Jahrbuch für Wirtschafts Geschichte (2000, No. 1), 43-59.
- “Alternative Indicators of Health and the Quality of Life.” In Jeff Madrick (ed.), Unconventional Wisdom: Alternative Perspectives on the New Economy (New York: Twentieth Century, 2000). Pp. 189-206.
- “The African-American Population of the United States, 1790-1920.” In Michael Haines and Richard H. Steckel (eds.), A Population History of North America (New York: Cambridge University Press, 2000). Pp. 433-81.
- “Industrialization and Health in Historical Perspective.” In David Leon and Gill Walt (eds.), Poverty, Inequality and Health (Oxford: Oxford University Press, 2000). Pp. 37-57.
- “Measuring the South: Health, Height, and Literary Myths,” with Louis Ferleger. In Robert Louis Paquette and Louis A. Ferleger (ed.), Slavery, Secession, and Southern Economic History (Charlottesville: University Press of Virginia, 2000). Pp. 163-77.
- “Diets Versus Diseases in the Anthropometrics of Slave Children: A Reply,” Journal of Economic History 60 (2000), 247-59.
- “Nutritional Status in the Colonial American Economy: An Anthropological Perspective,” William and Mary Quarterly 56 (Jan. 1999), 31-52.
- “Demography of Slaves in the United States,” in Paul Finkelman and Joseph C. Miller (eds.), Macmillan Encyclopedia of World Slavery (New York: Simon & Schuster Macmillan, 1998). Pp. 248-50.
- “Mortality in the New World,” in Paul Finkelman and Joseph C. Miller (eds.), Macmillan Encyclopedia of World Slavery (New York: Simon & Schuster Macmillan, 1998). Pp. 613-14.

- “United States: Breeding of Slaves,” in Paul Finkelman and Joseph C. Miller (eds.), Macmillan Encyclopedia of World Slavery (New York: Simon & Schuster Macmillan, 1998). Pp. 920-21.
- “Strategic Ideas in the Rise of the New Anthropometric History and Their Implications for Interdisciplinary Research,” Journal of Economic History 58 (1998), 803-21.
- “The Formative Period of the New Anthropometric History.” In John Komlos and Timothy Cuff, eds., Classics in Anthropometric History (St. Katharinen, Germany: Scripta Mercaturae Verlag 1998). Pp. 1-22.
- “Migration and Political Conflict: Precincts in the Midwest on the Eve of the Civil War,” Journal of Interdisciplinary History 28 (1998), 583-603.
- “Swedish Historical Heights Revisited: New Estimation Techniques and Results,” with Markus Heintel and Lars Sandberg. In John Komlos and Joerg Baten (eds.), The Biological Standard of Living in Comparative Perspective (Stuttgart: Franz Steiner Verlag, 1998). Pp. 449-58.
- “Skeletal Remains, Health, and History: A Project on Long-Term Trends in the Western Hemisphere,” with Paul Sciulli and Jerome Rose. In John Komlos and Joerg Baten (eds.), The Biological Standard of Living in Comparative Perspective (Stuttgart: Franz Steiner Verlag, 1998). Pp. 139-54.
- “Birth Weights and Stillbirths in Historical Perspective,” European Journal of Clinical Nutrition 52, S1 (1998), 16-20.
- “Report of the IDECG Working Group on Variation in Fetal Growth and Adult Disease,” with L. Grivetti et al., European Journal of Clinical Nutrition 52, S1 (1998), 102-03.
- “Faulkner’s South: Is There Truth in Fiction?” With Lou Ferleger. Journal of Mississippi History 60 (1998), 105-21. Reprinted in Elizabeth Fox-Genovese and Elisabeth Lasch-Quinn (eds.), Reconstructing History: The Emergence of a New Historical Society (New York: Routledge, 1999). Pp.361-69.
- “Tall But Poor: Living Standards of Men and Women in Pre-Famine Ireland,” with Stephen Nicholas, Journal of European Economic History 26 (1997), 105-34.
- “Introduction,” with Roderick Floud. In Richard H. Steckel and Roderick Floud (eds.), Health and Welfare during Industrialization (Chicago: University of Chicago Press, 1997). Pp. 1-16.
- “Long-Term Trends in Health, Welfare, and Economic Growth in the United States,” with Dora Costa. In Richard H. Steckel and Roderick Floud (eds.), Health and Welfare during Industrialization (Chicago: University of Chicago Press, 1997). Pp. 47-89.
- “Was Industrialization Hazardous to Your Health? Not in Sweden!,” with Lars Sandberg. In Richard H. Steckel and Roderick Floud (eds.), Health and Welfare during Industrialization (Chicago: University of Chicago Press, 1997). Pp. 127-59.

- “Conclusions,” with Roderick Floud. In Richard H. Steckel and Roderick Floud (eds.), Health and Welfare during Industrialization (Chicago: University of Chicago Press, 1997). Pp. 423-49.
- “Economics of Slavery,” in Seymour Drescher and Stanley L. Engerman (eds.), A Historical Guide to World Slavery (New York: Oxford University Press, 1998). Pp. 179-84.
- “The Age at Leaving Home in the United States, 1850-1860,” Social Science History 20 (1997), 507-32.

PROFESSIONAL ACTIVITIES:

Honors and Awards

London School of Economics and Political Science, visiting professor 2002-2003.

National Science Foundation, 2002-2005 (SES-0138129). "A History of Health in Europe from the Late Paleolithic Era to the Present. (\$538,117).

National Science Foundation, 2002 (SES-0117958) "Workshop: Skeletal Biology, Health, and Economic Development," (\$21,000).

National Science Foundation, 2000-2001, (SES-0096414) "A Longitudinal Analysis of the Economic Status of Free Blacks, 1850-1860." Dissertation Improvement grant with James Curtis (\$11,505).

Distinguished Scholar Award, Ohio State University, 2000 (includes \$20,000 in research funds).

Vice-President, Economic History Association, 1999-2000

Nominating Committee, and Audit Committee, Economic History Association, 1999-2000.

Joan N. Huber Faculty Fellow, awarded for 1999-2002 by the College of Social and Behavioral Sciences, Ohio State University (includes \$15,000 in research funds).

Chair of Program Committee, Economic History Association meetings, 1999.

The Historical Society, Board of Governors, 1998-

Ohio State University Distinguished Lecturer, spring 1998

Recognized faculty member, Annual Salute to Undergraduate Achievement, February 24, 1998

National Science Foundation, 1998-1999 (SBR-9806872), "The Rise to Preeminence of the New York Stock Exchange," Dissertation Improvement Grant with Sonali Garg. (\$11,712)

Economic History Association, Committee on Research in Economic History, 1995-1997

Robert Wood Johnson Foundation, 1997-1998, "Health, Nutrition, and Well-being in the United States." (\$34,839).

Visiting Research Fellow, Center for Economic Studies, University of Munich, July, 1997

Research on stature and my photo featured in cover story of TIME magazine, European edition, October 14, 1996, Pacific edition November 11, 1996

National Science Foundation grant for 1995-1999 (SBR-9423435) on "A Second Conference on Health and Nutrition in the Western Hemisphere" (with Jerry Rose and Paul Sciulli). (\$35,210).

L. Edwin Smart award for Excellence in Economics Instruction, 1995.

National Science Foundation grant for 1994. Additional study of "A History of Health and Nutrition in the Western Hemisphere." (\$6,300).

Charles Warren Fellow, Harvard University, 1993-1994

National Science Foundation Grant for 1993-1994 (SBR-9223781). "A History of Health and Nutrition in the Western Hemisphere" (with Jerry Rose and Paul Sciulli). (\$70,676).

Ohio State University Research grant for 1993 (combined support of Economics Department, Anthropology Department, and College of Social and Behavioral Sciences). "A History of Health and Nutrition in the Western Hemisphere" (with Jerry Rose and Paul Sciulli). (\$30,000).

National Science Foundation Grant for 1992 (SES-9246357). Additional study of "Wealth Inequality in the U.S., 1820-1910." (\$15,000).

Chair, Nominating Committee, Social Science History Association, 1991-1992.

Elected to the Executive Committee, Social Science History Association, 1992-1995.

Fellow, St. George Tucker Society for Southern Studies, 1991-

National Science Foundation grant for 1991 (SES-9122080). Additional study of "Wealth Inequality in the U.S., 1820-1910." (\$12,000).

Ohio State University Curriculum Development Grant for summer 1990, "The American Economy in the Twentieth Century." (\$5,933).

Ohio State University Small Research Grant, "Strategies for the Study of Diet, Disease, Work, and History." August 1990 (\$3,000).

Wenner-Gren Foundation for Anthropological Research, "Diet, Disease, Work, and History: Techniques of Physical Anthropology and Historical Methods in the Reinterpretation of the Past." October, 1990 (\$2,000).

National Science Foundation grant for 1990-1992 (SES-8922080). "An Analysis of Wealth Inequality in the U.S., 1820-1910." (\$70,616).

Elected to the Conference on Research in Income and Wealth, National Bureau of Economic Research, 1989-

Co-Organizer National Bureau of Economic Research Summer Institute on Development of the American Economy, 1989, 1990.

Editorial Boards: Social Science History, 1988-1995; Journal of Economic History, 1989-1993; Historical Methods, 1990-1994; Explorations in Economic History, 1990-1996; Annals of Human Biology, 1998-2003; Indicators: The Journal of Social Health, 2002- ; Economics and Human Biology, 2002-

Visiting Research Fellow, Flinders University of South Australia, Summer 1988.

Ford Foundation grant for 1986, "Migration Patterns in Historical Perspective," (\$4,167).

Walgreen Foundation grant for 1985-1986, "The Heights and Health of American Slaves," (\$7,500).

Visiting Scholar, Economics Department, Harvard University, 1985-86.

National Science Foundation grant (SES-8410660) for 1984-1986, "The Economic Foundations of Migration Patterns, 1800-1900," (\$78,500).

College of Social and Behavior Sciences Research grant for 1985, "The Distribution of Wealth in Ohio, 1830-1900," with Donald Haurin (\$1500).

Program Committee, Social Science History Association Meetings, 1983, 1985; Chairman, 1986.

University Small Research Grant for 1983, "The Causes of Mortality Rates in the Atlantic Slave Trade", with Richard Jensen (\$950)

Elected a Research Associate of the National Bureau of Economic Research, April 1982-present

College of Social and Behavioral Sciences Research Grant for 1980, "Migration Patterns in Nineteenth Century America", (\$300)

University Small Research Grant for 1978, "Slave Height Profiles and their Significance for Study of the Slave Population," (\$2,414)

Conference Participation

American Economic Association. "What Can Be Learned from Skeletons that Might Interest Economists, Historians and Other Social Scientists?" Washington, January 4, 2003.

Social Science History Association. Response to book session on The Backbone of History: Health and Nutrition in the Western Hemisphere. St. Louis, October 26, 2002.

Jerome Levy Economics Institute Conference on Economic Mobility in America and Other Advanced Countries, "Wealth Mobility in America: A View from the National Longitudinal Survey." With Jayanthi Krishnan. October 18-19, 2002.

British Association of Biological Anthropology and Osteoarchaeology, "A History of Health in Europe from the Late Paleolithic era to the Present: A Research Project." Sheffield, September 14, 2002.

European Paleopathology Association. "A Western Hemisphere Perspective on the History of Violence." (with Phillip Walker) Coimbra, Portugal, August 31, 2002

American Association of Physical Anthropologists, "A Western Hemisphere Perspective on the History of Violence." (with Phillip Walker) Buffalo, April, 12, 2002.

- Eastern Economic Association. "Historical Perspective on the Standard of Living using Anthropometric Data." Boston, March 17, 2002.
- Social Science History Association. "Health and Nutrition in Preindustrial Europe." Chicago, November 16, 2001.
- Second Annual Maxwell Policy Research Symposium on Entrepreneurship and Public Policy. "Entrepreneurial Activity and Wealth Inequality: An Historical Perspective," (with Carolyn Moehling), Syracuse University, April 20-21, 2001.
- Jerome Levy Economics Institute Conference on What Has Happened to the Quality of Life in America and Other Advanced Industrialized Nations? "Historical Perspective on the Standard of Living Using Anthropometric Data." Bard College, June 6-7, 2001.
- Factor Endowments, Labor and Economic Growth in the Americas. "Health and Nutrition in Pre-Industrial Europe: Insights from a Millennium of Average Heights." Rochester, June 8-9, 2001.
- Discussant at NBER Conference on "Health and Labor Force Participation over the Life Cycle: Evidence from the Past." Cambridge, MA February 2-3, 2001.
- Social Science History Association. "The Evolution of the Social Science History Association Meetings, 1976 – 1999." Pittsburgh, PA, October 27, 2000.
- 19th International Congress of Historical Sciences, "Tallest in the World: Native Americans of the Great Plains in the Nineteenth Century," (with Joseph Prince). Oslo, August 12, 2000.
- New Evidence on the Standard of Living in Preindustrial Europe and Asia. "Health and Nutrition in Preindustrial Europe." Arild, Sweden, August 1-5, 2000
- International Cliometrics Conference, "Tallest in the World: Native Americans of the Great Plains in the Nineteenth Century" (with Joseph Prince). Montreal, July 8, 2000.
- American Association of Physical Anthropologists, "A Geographic Information System Analysis of Variation in Health and Nutrition in the Western Hemisphere," (with Phillip Walker), San Antonio, April 15, 2000.
- Social Science History Association meetings. "Health, Nutrition and Physical Well-Being." Ft. Worth, TX, November 11, 1999.
- International Commission on Historical Demography, "Tallest in the World: Native Americans of the Great Plains in the Nineteenth Century," (with Joseph Prince). Oslo, June 10-14, 1999.
- Economic History Association meetings, Baltimore, MD, October 8, 1999, co-chair of session on "Fire and Ice: Historical Sciences and Economic History."
- NBER Summer Institute, Cambridge, MA, July 12, 1999, "Long-Term Trends in American Wealth Inequality: Evidence from Property Tax Records," with Carolyn Moehling.

Ninth Annual Public Health Forum, London School of Hygiene and Tropical Medicine, London, April 19-23, 1999. "Industrialization and Health in Historical Perspective."

Social Science History Association meetings, Chicago, November 20, 1998, "Measuring Health Status using Skeletal Remains (with Paul Sciulli and Jerome Rose).

Twelfth International Economic History Congress, Madrid, August 1998, "Skeletal Remains, Health, and History: A Project on Long Term Trends in the Western Hemisphere."

American Association of Physical Anthropologists annual meeting, Salt Lake City, April 2, 1998, "A Health Index from Skeletal Remains."

National Bureau of Economic Research program meeting, March 7, 1998, "Tax Records and the Distribution of Wealth, 1820-1910."

Organizer (with Jerome Rose) of a symposium (14 papers) on "The Backbone of History: Health and Nutrition in the Western Hemisphere," presented at the American Association of Physical Anthropologists annual meeting, Salt Lake City, April 2, 1998.

Organizer (with Carolyn Moehling and Samuel Williamson) of the All-Ohio Economic History Seminar, 1997-

Social Science History Association, Washington, D.C., October 16, 1997. "Strategic Ideas in the Rise of the New Anthropometric History and their Implications for Interdisciplinary Research."

Economic History Association, New Brunswick, NJ, Sept. 13, 1997. "A Health Index from Skeletal Remains."

Third World Congress of Cliometrics, Munich, July 1997. Chair of session on Health and Nutrition.

Pre-conference for the International Economic History Congress. Munich, Germany, January 17, 1997. "The Rise of Anthropometric History: Key Ingredients."

Pre-conference for the International Economic History Congress. Munich, Germany, January 18, 1997. "Measuring the Standard of Living using Skeletal Remains."

American Economic Association. New Orleans, La., January 6, 1996. Chair of session on Long-term Changes in Labor Conditions.

IDECG/IUNS Workshop. Baton Rouge, Louisiana, November 11-15, 1996. "Birth Weights and Stillbirths in Historical Perspective."

Social Science History Association, October 11-13, 1996. "Explaining the Height Decline in the Late Nineteenth Century: Evidence for the Ohio National Guard."

Social Science History Association, October 11-13, 1996. Discussant for session on Biological Standard of Living in the Twentieth Century.

National Bureau of Economic Research Summer Institute, July 9, 1996. "The Backbone of History: Health and Nutrition in the Western Hemisphere."

Conference on A History of Health and Nutrition in the Western Hemisphere, Columbus, OH, March 8, 1996, "The Health of Slaves and Free Blacks in the East" (with Ted Rathbun).

Conference on A History of Health and Nutrition in the Western Hemisphere, Columbus, OH, March 8, 1996, "A Health Index from Skeletal Remains" (with Paul Sciulli, and Jerome Rose).

Co-organizer (with Jerome Rose) of an NSF-sponsored conference on "A History of Health and Nutrition in the Western Hemisphere," Columbus, OH March 7-10, 1996.

Social Science History Association meetings, November 16, 1995. "The Health of American Slaves: New Evidence and Analysis."

Social Science History Association meetings, November 16, 1995. Chair of session on "Bioarcheology and the Reinterpretation of the Past."

Conference on "The Economy of Early British America: The Domestic Sector," Huntington Library, San Marino, Calif., October 1995. "Nutritional Status in the Colonial American Economy: An Anthropological Perspective."

National Bureau of Economic Research conference on Health and Welfare during Industrialization, April 21, 1995. "Was Industrialization Hazardous to Your Health? Not in Sweden!" (with Lars Sandberg).

National Bureau of Economic Research conference on Health and Welfare during Industrialization, April 21, 1995. "Long-Term Trends in Health, Welfare, and Economic Growth in the United States" (with Dora Costa).

Co-organizer, with Roderick Floud, of NBER conference on "Health and Welfare during Industrialization." Cambridge, MA, April 21-22, 1995.

American Historical Association meetings, January 6, 1995. "Stature and the Standard of Living."

Social Science History Association meetings, October 14, 1994. "Stature and the Standard of Living."

Co-organizer, pre-conference on "Health and Welfare during Industrialization." Cambridge, MA, July 11-12, 1994.

American Economic Association meetings, January 5, 1994. Commentator on session on Understanding Collective Action and Outcomes.

Social Science History Association meetings, November 5, 1993. "The Age at Leaving Home in the United States, 1850-1860."

Organizer, conference on "A History of Health and Nutrition in the Western Hemisphere."
Columbus, Ohio, September 15-19, 1993

St. George Tucker Society meetings, August 13, 1993. "Health, Height and Faulkner" (with
Louis Ferleger).

National Bureau of Economic Research Summer Institute, July 14, 1993. "Trends in
Poverty and Inequality: Evidence from Tax Records for Massachusetts and Ohio,
1820-1910."

American Historical Association meetings, December 27, 1992. "Bioarcheology and the
Reinterpretation of the Past: A Research Project on the History of Health and
Nutrition in the Western Hemisphere."

Social Science History Association meetings, November 6, 1992, "Trends in Poverty and
Inequality: Evidence from Tax Records for Massachusetts and Ohio, 1820-1910."

Commentator, Economic History Association meetings, September 20, 1992, session on
"Consuming Longevity and Health: Children and Adults."

National Bureau of Economic Research Summer Institute, July 1992, "Wealth Mobility in
America: A View from the National Longitudinal Survey."

Discussant, Cliometrics Conference, Miami University, May 1992.

Chair, session on "Physical Anthropology and Historical Research," Social Science History
Association meetings, New Orleans, November 2, 1991.

"Bioarcheology and the Reinterpretation of the Past: A Research Project on the History of
Health and Nutrition in the Western Hemisphere," given at the Social Science History
Association meetings, New Orleans, November 1, 1991.

Commentator, roundtable session on Yankee Destinies by Peter Knights, Social Science
History Association meetings, New Orleans, November 2, 1991.

Commentator, session on "Recent Research on Slavery," Social Science History Association
meetings, Minneapolis, October 1990.

Organizer of conference on "Diet, Disease, Work, and History: Techniques of Physical
Anthropology and Historical Methods in the Reinterpretation of the Past" held at
Ohio State University, November 10-11, 1990.

"Stature and Living Standards in the United States," given at the National Bureau of
Economic Research conference on Living Standards in Early 19th Century America,
Cambridge, MA, July 20-22, 1990.

Discussant, Cliometrics Conference, University of Illinois, May 1990.

Chair of session on "New Evidence of Underenumeration in the U.S. Census," Social
Science History Association meetings, Washington, November 1989.

Commentator in a roundtable on Way of Death: Merchant Capitalism and the Angolan Slave Trade, 1730-1830, Social Science History Association meetings, Washington, November 1989

"The Health of Slaves in the United States: Evidence by Region and Time Period," given at the American Historical Association meetings, Cincinnati, December 1988.

"The Age at Leaving Home: A View from Families Matched in Census Manuscript Schedules," given at the Social Science History Association meetings, Chicago, November 1988.

"Migration and Political Conflict: The Midwest on the Eve of the Civil War," given at the Social Science History Association meetings, Chicago, November 1988.

Commentator, session on Colonial Demography, Social Science History Association meetings, Chicago, November 1988.

"Poverty and Prosperity: A Longitudinal Study of Wealth Accumulation, 1850-1860" given at the AEA meetings, Chicago, December 1987.

"The Health and Mortality of Women and Children: Survival in a National Sample of Linked Households, 1850-1860" given at the Economic History Association Meetings, San Francisco, September 1987.

"Household Migration and Rural Settlement in the United States, 1850-1860" given at the NBER Summer Institute on Development of the American Economy, Cambridge, MA, July 1987.

Discussant, Cliometrics Conference, University of Illinois, May 1987.

"The Slavery Period and Its Influence on Family Change: USA" given at the Seminar on Changing Family Structures and Life Courses in LDC's, Honolulu, Hawaii, January 1987.

"Recent and Future Developments in the Demography of American Slaves" given at a conference on "New Directions for Demographic History: A French-American Round Table," New York, October 31 - November 2, 1986.

"Dimensions and Determinants of Migration during the Mid-Nineteenth Century: A Preliminary View from a National Sample," given at the Social Science History Association meetings, St. Louis, October 17-19, 1986.

"The Nutrition, Health, and Mortality of American Slaves from Childhood to Maturity" and "Overpopulation and Malnutrition Rediscovered: Hard Times in Nineteenth-Century Sweden" (with Lars Sandberg) given at the Social Science History Association meetings, Chicago, November 23 and 24, 1985.

Chairman of Session on Studies in Migration, annual meeting of Society for Historians of the Early American Republic, Washington, D.C., July 25-27, 1985.

Discussant Annual Cliometrics Conference, Northwestern University, May 30-June 2, 1985.

"Determinants of Slave and Crew Mortality in the Atlantic Slave Trade" given at the Population Association of America Meetings, Boston, April 27, 1985.

Participant at NBER conference on "The Economics of Mortality in North America, 1640-1910," Cambridge, Mass., May 24-27, 1984.

Chairman of session on Demographic Economics at Cliometrics Conference, Miami University, May 18-20, 1984.

Chairman of session on "Migration and the Life Cycle," Social Science History Association meetings, Washington, D.C., October 27-29, 1983.

Legal Institute for Economists, sponsored by the Emory University Law and Economics Center, June 19-July 1, 1983.

"Height, Health, Nutrition, and Labor Productivity in the Antebellum South," and "Height, Nutrition, and Mortality in Ohio 1870-1900", given at the National Bureau of Economic Research Conference on Development of the American Economy, Cambridge, Mass., January 20-22, 1983.

Discussant, Social Science History Association Meetings, Bloomington, Ind., November 5, 1982

"Heights of Native Born Northern Whites during the Antebellum Period," given at the Economic History Association meetings, September 24, 1982

Discussant, American Economics Association Meetings, Washington, D.C., December 29, 1981

"Migration and Political Conflict During the Nineteenth Century," given at the Social Science History Association meetings, Nashville, October 22, 1981

Discussant, Social Science History Association meetings, Rochester, N.Y., November 9, 1980

"The Determinants of Adult Height in the Antebellum United States: Evidence from Coastwise Manifests and Civil War Muster Rolls," given (with Robert Margo) at the Social Science History Association meetings, Cambridge, November 2, 1979

Discussant at the Annual Cliometrics Conference, University of Chicago, June 7-9, 1979

"Slave Mortality: Analysis of Evidence from Plantation Records," given at the Social Science History Association meetings, Ann Arbor, October 22, 1979

"The Economics of U.S. Slave and Southern White Fertility," given at the dissertation session of the Economic History Association meetings, New Orleans, September 15, 1977

"The Estimation of the Mean Age of Female Slaves at the Time of Menarche and Their First Birth," given at the Population Association of America meetings, St. Louis, April 22, 1977.

Discussant at the Annual Cliometrics Conference, University of Wisconsin, April 24, 1976

"Marriage Market Characteristics, Economic Opportunity, and Fertility Among Antebellum Southern Whites," given at the NSF-N.S.S.B. conference on Behavioral Models in Historical Demography, The University of Pennsylvania, Philadelphia, October 25, 1974.

"Slave Marriage, Fertility, and Society," given at the Economic Historians of Wisconsin meeting, University of Wisconsin-Parkside, May 4, 1974

"U.S. Slave and Southern White Fertility: A Preliminary View," given at the Annual Cliometrics Conference, University of Wisconsin, April 26, 1973
