- CSE program. *See* Child Support Enforcement (CSE) program
- Demonstration programs, for child care, 475–76
- Dependent Care Tax Credit (DCTC), 445–48, 453, 502
- Disabled persons. *See* Adults with disabilities
- Early and Periodic Screening, Diagnostic, and Treatment Program (EPSDT), 17
- Earned Income Tax Credit (EITC), 1, 4, 106–7, 141–43, 333; advance payment option and, 191; antipoverty effects of, 157–59; consumption behavior and, 164–66; consumption outcomes of, 186–87; effects of, on hours of work, 182–84; effects of, with standard labor supply models, 180–82; expenditure growth in, 5–7; history of, 143–47; human capital formation outcomes of, 185–86; interaction with other social welfare programs and, 151–52; marriage and family formation outcomes of, 184–85; marriage and fertility issues of, 163–64; noncompliance and, 152–55; noncompliance evidence for, 166–69; program participation evidence for, 166–69; program participation issues of, 159–60; program statistics for, 155–57; proposals for adjusting family size and, 189; proposals for restructuring IRS for handling, 188–89; proposals for tighter integration with federal tax system and, 189–90; proposed marriage penalties and, 187–88; qualifying child errors and, 153; quality control and, 152–55; reduced-form effects of, 169–78; rules, 147–51; structural choice models of time allocation and program participation of, 181–82; summary of evidence on effects of, on hours of work, 175–76; summary of evidence on effects of, on labor force participation, 173–74; and TANF interactions, 190; work decision issues of, 160–63
- Economic Opportunity Act (EOA) of 1964, 528
- EITC. *See* Earned Income Tax Credit (EITC)

- Electronic Benefit Transfer (EBT) systems, 210, 270–71
- Employment and training programs, 517–19; Area Redevelopment Act, 517, 522–23; categories of, 520–22; central evaluation problem for, 559–60; Comprehensive Employment and Training Act of 1973, 538–39, 540, 542–43; economic rationale for, 554–58; experimental evidence for impact of, 568–72; experimental solutions for evaluating, 565–66; findings for Youths and National Job Corps Study, 572–75; Job Corps, 527–31; JOBS program, 536–37; Job Training Partnership Act of 1982, 539–46; Manpower Development and Training Act, 523–26; Neighborhood Youth Corps, 531–32; nonexperimental evaluations for, 575–77; nonexperimental methods for, 560–65; public-sector employment, 537–38; Summer Youth Program, 532; WIN program, 532–36; Workforce Investment Act of 1998, 542–43, 546–54
- Employment programs, AFDC program and: economic models for, 326–28; literature review of, 328–32
- Experimental Housing Allowance Program, 424–27. *See also* Housing programs
- Fair market rents, 402–4
- Family Assistance Plan (FAP), 81, 144, 295–96
- Family structure, AFDC program and: economic models for, 332–34; literature review of, 334–37
- Family Support Act (FSA) of 1988, 4, 296–98, 306, 448
- FANPs. *See* Food and nutrition programs (FANPs)
- Federal medical assistance percentage (FMAP), 29–30
- 515 program, USDA, 372
- Flexible Subsidy program, 373
- Food and nutrition programs (FANPs): areas for future research for, 277–78; budget constraints versus production functions and, 275–77; econometric issues of, 231, 240, 257; economic theory and, 228–29; goals of, 199–200; in-kind programs and, 269–73; interactions with other programs and, 222–23; measurements issues for, 229–30; overview of, 201–4; program history of, 200–205; welfare reform and, 268–69; work disincentives and, 273–75. *See also* Food Stamp Program (FSP); National School Lunch Program (NSLP); Special Supplemental Nutrition Program for Women, Infants, and Children (WIC)
- Food Stamp Program (FSP), 1, 200, 295; able-bodied adults without dependents and, 210; benefits, 208–9; budget constraints versus production functions and, 275–76; caseload composition of, 212–13; efficacy of, 257–59; Electronic Benefit Transfer system for, 210; eligibility for, 206–8; expenditure growth in, 5–7; expenditure trends, 211; financing and quality control issues for, 223–26; history and evolution of, 205–6; participation trends, 211–12; studies of, 232–39; take-up of, 265–66; tax rates for, 209–10; welfare reform and, 210–11; work disincentives and, 273–75. *See also* Food and nutrition programs (FANPs)
- Goals, policy: of AFDC program, 306–7; of food and nutrition programs, 199–200; of housing programs, 368–70; of Medicaid program, 16–19; of SSI program, 81–82; of TANF program, 306–7; of Workforce Investment Act, 546–47
- Greater Avenues to Independence (GAIN) program, 330
- Head Start program, 451, 457; child development effects of, 495–96
- Health Care Finance Administration (HCFA): administration of Medicaid program and, 29
- Healthy Meals for Healthy Americans Act, 219–20
- Home- and community-based services (HCBS), 24
- HOME Investment Partnerships Program, 376
- Homeownership Programs, 375–76
- Housing Act of 1949, 375, 407
- Housing Act of 1968, 376
- Housing Act of 1974, 379

- Housing programs, 365–68; consumption patterns, 399–407; consumption restrictions for, 382–83; cost-effectiveness of, 394–99; distribution of benefits of, 417–19; effect of, on housing markets, 421–22; effect of vouchers and, 423–24; eligibility for, 378–80; establishing preference scheme for, 381–82; Experimental Housing Allowance Program, 424–27; history of, 370–76; justifications and goals of, 368–70; mean benefit and mean subsidy of, 416–17; neighborhoods and, 407–11; participation rates of, 419–21; reform options for, 427–36; rules, 376–78; statistics for, 386–94; tangible external benefits of, 422–23; tenant rent and, 383–86; work disincentive effects of, 411–16
- Immigrants, legal, 25; Food Stamp Program and, 210–11
- Incentives, work, AFDC program and: economic models for, 314–17; literature review of, 317–21
- Infant Health and Development project, 495
- In-kind programs: administrative costs of, 270–71; advantages of, 270; versus cash, 269–70, 271–73; fraud and, 271
- Job Corps program, 519, 527–31; empirical findings for, 472–575
- Job Opportunities (JOBS) program, 297, 328, 330–32, 448, 536–37
- Job Training Partnership Act (JTPA) of 1982, 539–46. *See also* Comprehensive Employment and Training Act (CETA) of 1973
- Legal immigrants, 25
- Long, Russell, 142, 144–45, 146
- Long-term care: Medicaid program and, 61–63; Medicaid reform and, 70–71
- Low-income housing programs. *See* Housing programs
- Low-Income Housing Tax Credit (LIHTC), 366, 373–74, 373n8, 411–12
- Managed care, Medicaid program and, 28–29
- “Man-in-the-house” rules, 294–95
- Manpower Development and Training Act (MDTA), 523–24; 1966 amendments to, 524–26
- Marriage penalties, 163; Earned Income Tax Credit and, 187–88
- Means-tested transfer programs, 1; overall trends in expenditures in, 2–7. *See also specific programs*
- Medicaid program, 15–16, 295; abortion decisions and, 66–67; administration of, 29–30; application process for determining eligibility for, 29; crowdout and, 40–43, 50–54; effect of, on health, 38–40; effects of, on utilization of health care and health outcomes, 54–59; eligibility for, 34–38; eligibility for elderly and disabled, 23–25; eligibility for nonelderly and nondisabled, 19–23; eligibility policy and, 68–69; enrollment growth in, 31–34; expenditure growth in, 5–7; expenditures for, 31–32; family structure and, 66–67; financing for, 29–30; identifying impacts of, 47–49; impact of, on family structure, 45; impact of reimbursement policy on utilization and health outcomes, 59–61; labor force participation and, 63–66; labor supply and, 43–45; long-term care and, 61–63, 70–71; major legislation for, 18–19; managed care and, 28–29; origin and goals of, 16–19; public insurance coverage and, 49–50; quality control and, 29; reimbursement and, 26–28; reimbursement policy and, 70; saving and, 67–68; saving and consumption decisions and, 45–47; services covered by, 25–26; spending by service category for, 34–35; spending growth of, 30, 34; state age and income eligibility thresholds for children and, 21–22; take-up and, 40–43; waiver options of, 28; welfare participation and, 63–66
- Medically Needy program, 23
- Medicare Catastrophic Care Act of 1988, 67
- Moving to Opportunity (MTO) Demonstration Program, HUD, 423–24
- National Job Corps Study, 572–75
- National JTPA Study, 571–72
- National School Lunch Program (NSLP), 200; benefits, 219–21; budget constraints versus production functions and, 275–76; efficacy of, 263–65; eligibility requirements for, 221; financing and quality control issues for, 227–28;

- history and evolution of, 218–19; nutritional quality and, 219–21; participation in, 221–22; studies of, 253–56; take-up of, 267–68. *See also* Food and nutrition programs (FANPs)
