Preface

This volume consists of papers presented at a joint Japan Center for Economic Research–National Bureau of Economic Research conference held in Kyoto, Japan, in May 1997. Financial support from the Department of Health and Human Services, National Institute on Aging (grants P01-AG05842 and P20-AG12810) and the Japan Center for Global Partnership, is gratefully acknowledged. Any other funding sources are noted in individual papers.

Any opinions expressed in this volume are those of the respective authors and do not necessarily reflect the views of the National Bureau of Economic Research, the Japan Center for Economic Research, or the sponsoring organizations.
