

This PDF is a selection from a published volume from the National Bureau of Economic Research

Volume Title: African Successes, Volume II: Human Capital

Volume Author/Editor: Sebastian Edwards, Simon Johnson, and David N. Weil, editors

Volume Publisher: University of Chicago Press

Volume ISBNs: 978-0-226-31605-5 (cloth)

Volume URL: <http://www.nber.org/books/afri14-2>

Conference Dates: December 11–12, 2009; July 18–20, 2010; August 3–5, 2011

Publication Date: September 2016

Chapter Title: Indexes

Chapter Author(s):

Chapter URL: <http://www.nber.org/chapters/c14064>

Chapter pages in book: (p. 351 – 361)
