# Acknowledgments

This volume consists of papers presented at a conference held at the Boulders Resort in Carefree, Arizona, May 19–21, 1988. It is part of the National Bureau of Economic Research ongoing Project on the Economics of Aging. The majority of the work reported here was sponsored by the United States Department of Health and Human Services, National Institute on Aging Grant Numbers P01-AG05842 and R37-AG08146. Additional support was provided by the National Science Foundation, the Robert Wood Johnson Foundation, the Social Security Administration, and the Veteran's Administration.

Any opinions expressed in this volume are those of the respective authors and do not necessarily reflect the views of the National Bureau of Economic Research or any of the sponsoring organizations.
