</table>

\(^a\) Used to extrapolate forward from date indicated.
\(^b\) Extrapolated back from December 1960 using previously published PDE deflators for this category (special industry machinery).
\(^c\) Not a PPI; 100.0 for all periods (1986 benchmark revision uses BEA computer index 1969 to date).
\(^d\) For annual deflation, these indexes are replaced by AT&T index.
\(^e\) For annual deflation, these indexes are replaced by Civil Aeronautics Board index.
\(^f\) For annual deflation, these indexes are replaced by Maritime Administration index.
\(^g\) Extrapolated back prior to 1961 using previously published quarterly series.
