Acknowledgments

This volume contains edited versions of papers presented and discussed at the NBER–East Asia Seminar in Economics Fourth Annual conference. The conference was held in San Francisco from June 17 to 19, 1993.

We are indebted to Chong-Hyun Nam and Tzong-shian Yu, who served as members of the program committee, for organizing the conference and to Martin Feldstein and Geoffrey Carliner for their support of the conference series. We also thank Kirsten Foss Davis for her tireless efforts in making conference arrangements, and Deborah Kiernan for overseeing the editorial work in preparing the volume for publication.

The National Bureau of Economic Research hosted the conference and provided logistical support, for which we are grateful. We are also indebted to the Chung-Hua Institution, the Korea Development Institute, the National Bureau of Economic Research, and the Tokyo Center of Economic Research (TCER) for their financial assistance.
