# Subject Index

- AFTA. *See* ASEAN Free Trade Area (AFTA)
- Agricultural sector: protection and liberalization in Mexico, 29–35; protection in NAFTA countries, 52; rice production and marketing in Japan, 380–86, 389–92. *See also* Common Agricultural Policy (CAP)
- American Rice Millers' Association, 7, 371n1
- APEC. *See* Asia Pacific Economic Cooperation (APEC)
- ASEAN Concord (1976), 285
- ASEAN Free Trade Area (AFTA), 6, 276, 288–89; compared to NAFTA, 296; trade under Common Effective Preferential Tariffs, 289–96
- Asian economies: GDP growth rates (1971–93), 91–93; moves toward economic integration, 94–95. *See also* East Asian countries
- Asia Pacific Economic Cooperation (APEC): commitment to free and open trade, 203; cooperation programs, 212–13; criticism of, 206–7; expectations for, 103; factors influencing emergence of, 5–6, 218–19; free trade initiative, 21; Manila Action Plans, 216–17; as move toward integration, 94–95; Nonbinding Investment Principles, 222; objectives based on Bogor commitment, 5, 211; open regionalism in, 121–22; Osaka Action Agenda, 205–7, 213–17, 219–22; proposed FTA, 9; proposed liberalization program, 207–10; response to proposed trade-related social policy, 79–81; role of ASEAN in, 285; scope of, 122
- Association of Southeast Asian Nations (ASEAN): ASEAN Fund, Limited, 308–9; Common Effective Preferential Tariff (CEPT), 289–96; currency arrangements in intra-ASEAN trade, 306–8; deterrents to trade within, 296–97; economic integration, 276; economies of, 276–78; Finance Corporation, 308; growth triangle concept, 6; impact of, 303; initiatives of, 296–97; Insurance Council, 309; intra-ASEAN trade, 278–81; political, strategic, and economic objectives, 285; Preferential Trading Area (1977), 287; present and future members, 275; Swap Arrangement, 306–7
- Balassa index of comparative advantage, 243–45
- Bank rates, local, 192t
- Bogor Declaration (1994): APEC Nonbinding Investment Principles, 222; cooperation concept, 212; related to free and open trade and investment, 5–6, 203, 205, 207
- British Commonwealth trading bloc, 154–56, 158–59
- Brunei: as ASEAN member, 275; colonial past, 276; growth triangle participation, 300–303; intra-ASEAN trade, 282, 290–96
- Business groups, Korea. *See* *Chaebols*, Korea

- Calculus of participation, or theory of clubs, 99–103
- Canada-U.S. Free Trade Agreement, 1
- CAP. *See* Common Agricultural Policy (CAP)
- Capital flows: Asian capital markets, 169–72; implications of capital inflows, 183–85, 199–200
- Capital markets: covered interest differential as measure of integration, 170–71; effect of social policy concerns on, 87; integration in Pacific Basin, 169–71. *See also* Credit; Interest rates; Investment
- Caribbean Basin Initiative (CBI), 9
- CBI. *See* Caribbean Basin Initiative (CBI)
- CEPT. *See* Common Effective Preferential Tariff (CEPT)
- Chaebols*, Korea: industrial policy for, 315–16; in industrial structure, 322–27
- Chile, 9
- CITES. *See* Convention on International Trade in Endangered Species (CITES)
- Coase theorem, 47
- Collective action: benefits with public-good feature, 100; criticism of theory of, 101; in theory of clubs, 101
- Common Agricultural Policy (CAP): protectionist effects of, 16, 374; reform (1992), 374–75
- Common Effective Preferential Tariff (CEPT), ASEAN, 289–96
- Comparative advantage: of many APEC member countries, 122; revealed comparative advantage (RCA) indexes, 243–54; theory of changing, 62–64
- Confederación de Trabajadores Mexicanos (CTM), 43
- Convention on International Trade in Endangered Species (CITES), 64, 73
- Cooperation: APEC agenda, 212–17; ASEAN banking and finance arrangements, 306–9; ASEAN Insurance Council, 309
- Country size, in model of tariffs: in decision to join free trade area, 102, 116–17; in Ricardian model of trade, 99, 106–9; in WTO, 116
- Credit: Asian interbank and bank loan rates, 174–81; Asia Pacific sources of, 172–73; effect of capital inflows on, 183–85; effect on economic activity, 185–87; model with, 182–83; risks in lending, 188–90
- Currency in intra-ASEAN trade, 306–8
- Customs unions: cannot overlap, 11, 17; common external tariffs of, 11, 17, 22; consistent with WTO rules, 21; differences from FTAs, 3; EEC initiative, 141–42; incentives to form, 97–98, 100; potential for trade liberalization under, 18–19; as regional trading arrangements, 10; rules of origin in, 14–15
- Data sources: Asia Pacific capital market analysis, 190–93, 198; departure from standard gravity model, 144–45; for FDI, 134–35; gravity model of existing intraregional trade bias, 125; of trade bias in implicit trading blocs, 125, 127, 129–30; for trade policy formation model, 364–65
- Deregulation as response to globalization, 339–40
- Developing countries: actions related to trade-related social policy, 78–81; industrial development in, 338; U.S. tariff preferences to, 9
- EAEC. *See* East Asian Economic Caucus (EAEC)
- East Asian countries: open multilateral trading system for, 20–21; subregional economic zones, or growth triangles, 298–99
- East Asian Economic Caucus (EAEC), proposed, 94–95, 103, 116
- Economic integration: APEC as move toward, 94–95; ASEAN nations, 276; Asian economies' moves toward, 94–95; capital markets in East Asia, 169–70; East Asia and ASEAN, 310–11; globalization with, 314–15; reciprocal trade agreements as, 11–13; regional integration consistent with multilateral liberalization, 206; social policy with, 59–60; stages in symmetric tariff bloc model, 95–98; subregional growth triangles, 299–303, 311–12; welfare levels with, 96–98
- Economic performance: ASEAN nations, 275; Asia–West Pacific economies (1971–93), 91–93; relation to environment and trade policies, 62–69
- Economies of scale: definition of, 316–17; estimates of Korean firm, 329–34
- Economies of scope: definition of, 316–17; estimates of Korean firm, 327, 329–34; with globalization, 341–42
- EFTA. *See* European Free Trade Association (EFTA)
- Elites, Mexico: effect of NAFTA on new export elites, 50–54; during fiscal crisis,

- 25–26; new private export elite and foreign investors, 26, 48–50; trade preemption game of old manufacturing elites, 26, 44–47; weakening of old group of, 47–49
- Eminent Persons Group (EPG): advocacy of APEC dispute mediation service, 222; recommendations for APEC, 221–22; views on APEC, 203
- Environmental issues: considered along with trade policy, 60–62; differences in policies, 58; in GATT provisions, 69; relation to growth and trade, 62–69
- European Coal and Steel Community, 149, 212
- European Community (EC): extraregional trade (1958, 1979), 16; second enlargement of former EEC (1975–92), 157–60
- European Economic Community (EEC), or Common Market: regional exchange rate mechanism and internal market of, 141–42; trade among original six members, 149–51; trade with EFTA members (1956–73), 150–53; trading pattern and volume with larger membership (1966–80), 154–57. *See also* European Community (EC)
- European free trade agreements: with addition of members (1966–80), 154; EEC and EFTA trade (1956–73), 149–54
- European Free Trade Association (EFTA): initiation of free trade area (1965), 151; intramember trade (1956–73), 150–51; trade pattern and volume (1966–92), 5, 154–60; trade with EEC members (1956–73), 5, 150–53
- European Payments Union, 149
- European Union (EU): effects as preferential trading area, 5; harmonization of social policies in, 60; intraregional European trade, 16–17; labor policies in, 77–78; as regional preferential trading arrangement, 1–2, 10, 16
- Expansion path subadditivity concept, Korea, 330, 332–33
- Exports: of Korea to APEC countries, 233–38; link to FDI, 135–36; in Mexico with liberalization, 31–40
- FDI. *See* Foreign direct investment (FDI)
- Firms: behavioral patterns of, 327–29; economies of scale in multiproduct firms (Stigler), 316; economies of scope and scale (Baumol, Panzar, Willig), 316–17; success of small- and medium-sized, 338. *See also* *Chaebols*, Korea
- Food Agency, Japan, 402
- Food Control Law, Japan, 380–81
- Foreign direct investment (FDI): to ASEAN nations, 282–83, 336; Korean overseas, 238–41; in Mexico, 37, 39–41; in trading bloc environment, 134–37
- Free-rider issue, 101
- Free trade agreements (FTAs): Common Effective Preferential Tariff of ASEAN Free Trade Area, 289–96; to form ASEAN free trade area, 286; hub and spoke system, 19; potential for and problems of overlapping, 9, 17–20; proposed North Atlantic and APEC, 9; reciprocal, 11–13; regional aspects of, 10; rules of origin under, 3, 17–18; tariffs of individual countries under, 3, 11. *See also* European free trade agreements; European Free Trade Association (EFTA); European Union (EU)
- Free trade areas: ASEAN Free Trade Area (AFTA), 276, 288–89; calculus of participation in formation of, 99–103; conditions for improved welfare with, 120; incentives to form, 97–98, 100; symmetric and asymmetric, 110–11
- General Agreement on Tariffs and Trade (GATT): Article 1 liberalization areas, 206; Article 24 tariff strategy restrictions, 102, 116, 123, 133–34; conflict of U.S. Super 301 provisions, 346; Mexico as member of, 28; nondiscrimination requirements and exceptions, 69; rulings related to environmental issues, 69–73; Uruguay Round, 80, 206, 297, 371, 376–77
- Generalized System of Preferences (GSP), U.S. preferences to developing countries under, 9
- Globalization: characterization of, 313–14, 334; definition of, 321; large- and small-scale production with, 322
- Government role: in environment of globalization, 340–41; in framework of Korean industrial policy, 334–35
- Gravity model: EEC and EFTA trade patterns and volume (1956–92), 149–60; EEC-EFTA model compared to other approaches and studies, 160–62; first-difference specification, 143–49, 166; in-

- Gravity model (*continued*)  
 traregional trade bias and welfare,  
 124–29; problems of, 142–43; specified  
 for third-country effects, 144–45; stan-  
 dard traditional specification, 144,  
 146–47
- Group behavior, small and large groups,  
 100–101
- Growth triangles: ASEAN integration with,  
 276; ASEAN region, 299–303, 311–12;  
 East Asia, 298–99. *See also* Subregional  
 economic zones (SREZs)
- Hub and spoke system, 19
- Imports: of Korea from APEC countries,  
 233–38; in Mexico with liberalization,  
 31–40
- Import substitution, Mexico, 26
- Incentives: to form customs union or free  
 trade area, 97–98; to join tariff bloc,  
 98–99
- Indonesia: as ASEAN member, 275; colonial  
 past, 276; growth triangle participation,  
 299–303; interbank and loan rates, 179f;  
 intra-ASEAN trade, 290–96; inward FDI,  
 282
- Industrial cooperation schemes, ASEAN, 287–  
 88, 308
- Industrial organization: business groups (*chae-  
 bols*) in Korea, 315–16; with globaliza-  
 tion, 320–21; Korea, 322–27; Malaysia,  
 336
- Industrial policy: ASEAN nations, 277–78;  
 characterization of Korean, 327–29, 334;  
 Korean regulation of *chaebols*, 315–16,  
 326–27; objective and role of, 337
- Industrial sector: Fordist and post-Fordist,  
 313, 321; German Craft system, 313–14;  
 protection in NAFTA trade, 256–61
- Industry, multiproduct: competitive equilib-  
 rium of (Baumol, Panzar, Willig),  
 317–19; firms within (Stigler), 316–19
- Information technology: economies of scope  
 in global environment, 321; globalization  
 with, 314–15, 341
- Institutional Revolutionary Party (PRI), Mex-  
 ico, 42–43
- Interest groups: elites in Mexico, 3, 44–47; en-  
 vironmental groups focus on trade policy,  
 61–62; Japanese rice farmers, 380–86.  
*See also* Elites, Mexico
- Interest rates, 170–74
- International Labour Organisation (ILO) Oh-  
 lin Report (1956), 77
- Investment: intra-ASEAN, 282, 284; potential  
 in NAFTA trade for diversion, 259–61,  
 273; proposals to facilitate APEC trade  
 and, 210–12. *See also* Foreign direct in-  
 vestment (FDI)
- Japan: agricultural protection levels, 372–74;  
 cost of agricultural protection in, 375; do-  
 mestic and border rice price differences,  
 394–96; Food Control Law, 380–81; in-  
 terbank and loan rates, 177f; price of rice  
 with proposed tariff reduction, 376–77;  
 rice farmers as interest group, 380–86;  
 rice production and marketing, 380–86,  
 389–92; simulation analysis of Japan's tar-  
 iff change policy on rice, 386–93,  
 396–98
- Korea: *chaebols*, role in industrial organiza-  
 tion, 315–16, 322–27; effect of NAFTA  
 trade on, 241–61; export competition  
 with Mexico, 225; firm economies of  
 scale and scope, 327–34; foreign direct in-  
 vestment, 238–41; industrial structure,  
 322–27; interbank and loan rates, 180f;  
 trade flows with NAFTA members  
 (1975–93), 225–27; trade interdepend-  
 ence with NAFTA members, 227–29
- Labor standards: in multilateral trade negotia-  
 tions, 74–78; WTO potential agenda for,  
 74
- Lafay index of comparative advantage,  
 245–54
- Land reform, Mexico, 43
- Long-Term Arrangement for Cotton Textiles,  
 347
- Maastricht Treaty (1992): framework of, 141;  
 Protocol on Social Policy, 77
- Malaysia: as ASEAN member, 275; colonial  
 past, 276; growth triangle participation,  
 299–303; industrial structure, 336; in-  
 terbank and loan rates, 178f; intra-  
 ASEAN trade, 282, 290–96; inward FDI,  
 282, 336; leadership in proposed EAEC,  
 103
- Manufacturing sector: effect in Mexico of li-  
 beralization, 37; protection and liberaliza-  
 tion in Mexico, 28–35
- Markets: predictions in global environment,

314. *See also* Capital markets; Money market rates; Rice market, Japan
- MERCOSUR (Mercado Común del Cono Sur): members' intentions to join NAFTA, 10; preferential arrangement, 2
- Mexico: effect of NAFTA trade on, 241–61; export competition with Korea, 225; financial bailout (1995), 27; interest groups with trade liberalization, 3; protection (1980–94), 28–31; reforms of de la Madrid administration, 48–51; trade liberalization agenda, 3; using NAFTA as commitment device, 25–27
- Money market rates, 191t
- Montreal Protocol (1987), 62, 64, 73
- Most-favored-nation (MFN) principle: implications of, 10; regionalism as departure from idea of, 121
- Multi-Fiber Arrangement (MFA), 347
- New Zealand: interbank and loan rates, 178f
- Nontariff barriers, 85, 358
- North American Development Bank, 52–53
- North American Free Trade Agreement (NAFTA): as commitment device, 25–27; effect of, 241–61; effect on Mexico's new export elite, 50–51; formation, 1; Free Trade Commission, 52–53; harmonization of social policies in, 60; labor unions' opposition to, 102; Mexican entry into, 3; proposed extension to Western Hemisphere, 1, 224; side agreements, 3–4, 52–53, 60, 77
- North Atlantic Free Trade Area, proposed, 9
- OECD nations, ASEAN trading partners, 278–79
- Ohlin Report (1956), 77
- Omnibus Trade and Competitiveness Act (1988), United States: Super and Special Section 301 provisions, 346, 351
- Open economic association (OEA): commitment of APEC to an, 205; definition and scope, 204, 219
- Optimal currency area theory, 115
- Osaka Action Agenda, 213–17, 219–22
- Pacific Business Forum (PBF), 221–22
- Pacific Economic Cooperation Council (PECC): investment code proposal, 222; Trade Policy Forum, 210–11
- Pacific island economies, GDP growth rates (1971–93), 91–93
- Participation theory, 100
- Partido de la Revolución Democrática (PRD), Mexico, 48
- Partners for Progress proposal, 212, 215
- Philippines, the: as ASEAN member, 275; colonial past, 276; growth triangle participation, 300–303; interbank and loan rates, 179f; intra-ASEAN trade, 282, 290–96; inward FDI, 282
- Preferential trading areas (PTAs): ASEAN Preferential Trading Area, 287; EU attempts to form, 1; reciprocal preferences, 10–11; regional, 9; as step toward liberalizing multilateral trade, 10; Western Hemisphere, 1–2
- Preferential trading arrangements: essential components of, 14–17; forms of, 10–11
- Privatization, Mexico, 48–49
- Productivity, Mexico, 37–38
- Protection: for agriculture in four economies (1991–93), 372–73; Japan's food control system, 380–81, 389–92; Mexico (1970–94), 28–35; in sectors of NAFTA trade, 256–61, 273–74; in some rules of origin, 14–19; trade barriers in closed and open regional blocs, 125
- PTAs. *See* Preferential trading areas (PTAs)
- Public goods theory, 100
- Regionalism: ASEAN Common Effective Preferential Tariff (CEPT), 289–96; characteristics of Asia–West Pacific countries, 91–95; social policy as rationale for, 86. *See also* ASEAN Free Trade Area (AFTA); Subregional economic zones (SREZs)
- Regionalism, open: APEC implementation of, 221–22; definitions, 119–24, 135, 137; evidence in existing trading blocs, 125–29; in implicit continental blocs, 129–34; support for concept of, 219
- Regulation: Asia Pacific capital markets, 169–74; banking in less-developed countries, 174; of Korean *chaebols*, 315–16, 326–27; NAFTA side agreements as, 3–4
- Rice market, Japan: domestic and border rice price differences, 394–96; monopoly, 380–86, 389–94, 402; with shift to proposed Uruguay Round tariff setting plan, 389–94; traditional rice policy, 382–86
- Rules of origin (ROOs): change in tariff heading criterion (CTH), 15; in customs unions, 14–15; in NAFTA, 273–74; prob-

Rules of origin (*continued*)

- lems of overlap in FTAs, 3, 14–15, 17–19; protectionist features of some, 14–18; specified process criterion, 15; substantial transformation criterion, 15; value-added criterion, 15
  
- Salinas administration, Mexico, 48–51
- Singapore: as ASEAN member, 275; colonial past, 276; growth triangle participation, 299–303; interbank and loan rates, 177f; intra-ASEAN investment by, 282; intra-ASEAN trade, 282, 290–96; inward FDI, 282
- Social policy: APEC response to trade-related, 79–81; differences across countries, 57–60; Maastricht Treaty Protocol on, 77; regionalism as rationale for, 86–87. *See also* Environmental issues
- SREZs. *See* Subregional economic zones (SREZs)
- Stockholm Convention (1960), 151
- Subregional economic zones (SREZs), 6, 298, 311–12
- Subsidies, Japan, 380–81
  
- Taiwan: bilateral trade arrangements with United States, 347–53; interbank and loan rates, 180f; preferential treatment of U.S. imports, 352–53; tariff negotiations with United States, 353–57; as U.S. trading partner, 346
- Tariff rate, setting: effect on rice markets of proposed Uruguay Round rate reduction, 380–81; simulation analysis of Japan's rate reduction policy, 386–93
- Tariffs: under ASEAN Common Effective Preferential Tariff agreement, 289–96; country size in trading bloc model, 106–9; customs union common external, 11, 17, 22; gradual elimination under NAFTA, 51–52; in Mexico with liberalization, 28–40; multilateral negotiations under GATT, 16; in nation's decision to join free trade area, 11, 102; optimal, 114–16; optimal tariff bloc, 98–99; retention of individual country, 3, 11; summary of tariff bloc model results, 95–98; symmetric tariff bloc model, 95, 104–6; Taiwan-U.S. negotiations (1978–89), 353–57. *See also* Protection
  
- TEAs. *See* Transitional economies of Asia (TEAs)
