Since this volume is a record of conference proceedings, it has been exempted from the rules governing critical review of manuscripts by the Board of Directors of the National Bureau (resolution adopted 6 July 1948, as revised 21 November 1949 and 20 April 1968).

Universities–National Bureau Committee for Economic Research

This committee is a cooperative venture of universities and the National Bureau. Its guiding objective is the encouragement of economic research on problems susceptible of objective treatment and of sufficiently broad scope to merit attention by institutions serving a scientific and public interest.

Prefatory Note

This volume contains the papers presented at the Conference on Population and Economic Change in Less Developed Countries held in Philadelphia 30 September to 2 October 1976, sponsored by the Universities-National Bureau Committee for Economic Research. Funds for the conference were provided by the National Science Foundation; we are indebted for its support. We also thank Richard A. Easterlin, who served as chairman of the conference and editor of this volume.
