RE: Summer Institute 2012 - Call for Papers

It is that time of year when we start planning for the NBER's Summer Institute. The Aging and Health Care workshops will take place during the week of July 23, 2012, in Cambridge, MA. Some portion of the Aging sessions will be dedicated to Social Security issues, sponsored jointly with the Public Economics Program.

If you have a paper you would like to present for the general Aging or focused Social Security sessions, please upload the abstract and paper at <http://www.nber.org/confsubmit/backend/cfp?id=SI12AW> or email to Korland Simmons simmonsk@nber.org by March 16, 2012.

Invitations and logistical information will be sent out at the end of April. If you have any questions or need additional information, please contact Rob Shannon in the NBER's conference department at 617/868-3900 or rshannon@nber.org.
