Program for Economic Research

The Program for Economic Research at Columbia University invites applications for full-time predoctoral fellows at the rank of Staff Associate I in the Department of Economics to start July 2026. We are looking for skilled, motivated individuals to assist faculty in analyzing data, developing economic models, and presenting research results. This will involve working on a number of new and ongoing economics research projects across a wide range of fields.

Columbia Economics faculty members hiring for this position include [Michael Best](#), [Jonathan Dingel](#), [Lisa Ho](#), [Tatiana Mocanu](#), [Noémie Pinardon-Touati](#), and [Eric Verhoogen](#).

Applications will be evaluated on a rolling basis, starting October 22, 2025. Please complete both this [short survey](#) and [this formal application](#). Short-listed applicants will be asked to complete a technical exercise and an interview with faculty members.

Columbia University is an Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, age, protected veteran status, or status as an individual with disability.
