

This PDF is a selection from an out-of-print volume from the National Bureau of Economic Research

Volume Title: Regional and Global Capital Flows: Macroeconomic Causes and Consequences, NBER-EASE Volume 10

Volume Author/Editor: Takatoshi Ito and Anne O. Krueger, editors

Volume Publisher: University of Chicago Press

Volume ISBN: 0-226-38676-7

Volume URL: http://www.nber.org/books/ito_01-1

Publication Date: January 2001

Chapter Title: List of Contributors, Indexes

Chapter Authors: Takatoshi Ito, Anne O. Krueger

Chapter URL: <http://www.nber.org/chapters/c10740>

Chapter pages in book: (p. 381 - 394)

Contributors

Leonard K. Cheng
