

This PDF is a selection from a published volume from the National Bureau of Economic Research

Volume Title: The Economic Consequences of Demographic Change in East Asia, NBER-EASE Volume 19

Volume Author/Editor: Takatoshi Ito and Andrew Rose, editors

Volume Publisher: University of Chicago Press

Volume ISBN: 0-226-38685-6  
ISBN13: 978-0-226-38685-0

Volume URL: [http://www.nber.org/books/ito\\_08-2](http://www.nber.org/books/ito_08-2)

Conference Date: June 19-21, 2008

Publication Date: August 2010

Chapter Title: List of contributors, indexes

Chapter Authors: Takatoshi Ito, Andrew Rose

Chapter URL: <http://www.nber.org/chapters/c12711>

Chapter pages in book: (377 - 389)
