Source: First National Bank of Chicago, "Ratios of the Instalment Sales Finance and Small Loan Companies," and supplements. Sample of 19 companies; percentages are simple averages of the percentages reported by each company.

^aRatio of the amount of credit advanced to the cost of the car to the dealer (for new cars) or to its wholesale value (for used cars).

^bCovering current and two preceding years' models and not comparable, therefore, with entries in Column 10, which covers all used cars.

^cRelated to low book value.
