To Public Accountants

If this questionnaire is received by a public accountant who is a salaried employee of an accounting firm, please hand it to the employer; if received by a public accountant who is a salaried employee of a non-accounting firm or public institution, please disregard our request, since this questionnaire is designed to obtain information for independent professional service, and should be filled in only by accounting firms and independent practitioners. We desire only one return for each office. We do not ask for your signature.

Items	1929	1934	1935	1936
1. Number of firm members (if independent practitioner, answer "one").				
2. Gross income of firm from professional practice (if independent practitioner, exclude salaries from firms or public institutions; but in both cases exclude income from investments and other sources).				
3. Net income (gross income less expenses incidental to your professional practice only, as rents and salaries. Such expenses should NOT include your living expenses nor your income taxes, state or Federal).				
4. Total cash withdrawals by the individual or by all members of the firm.				
5. Average monthly number of accountants employed other than firm members.				
6. Total salaries, commissions, bonuses, etc., paid to accountants included in item No. 5.				
7. Average monthly number of other employees, such as secretaries and other non-professional assistants.				
8. Total salaries paid each year to all employees included in item No. 7.				

Indicate the city and state in which your office is located. (City) _____ (State) _____

To Attorneys at Law:

Instructions - If this questionnaire is received by an attorney who is a salaried employee of a legal firm, please hand it to your employer since there should be only one return for an entire firm for the first seven questions. For the last five questions (number 8-12) each firm member and each salaried attorney of the firm should make separate returns. If we have not enclosed sufficient copies of questions (8-12) we shall be pleased to send additional ones on request or attorney may write letters giving the complete information in the order stated. Individual Practitioners should answer all 12 questions. Attorneys employed by non-legal firms or public institutions should answer only questions 8-12, inclusive.

There data are not provided, please indicate whether it means "None" or "Information not available." This distinction is important for statistical purposes. The information asked will be held in STRICT CONFIDENCE. To ensure complete anonymity, please do not state the name of your firm or of firm members and give no signature.

Questions	1929	1932	1933	1934	1935	1936
1. Number of members in law firm (If practicing alone answer "one").						
2. Gross Income of individual practitioner or of firm from legal practice, including retainers (If practicing alone exclude salaries whether from part-time positions from firms or public institutions; but in all cases exclude income from investments and other sources).						
3. Net Income (Gross income less current expenses applicable to legal practice only. Do not deduct capital outlays, income taxes, or personal expenses).						
4. Average monthly number of professional employees (Lawyers on salary).						
5. Total Salaries paid to all employees included in question No. 4.						
6. Average monthly number of other employees (Secretaries, etc.)
