RELATION OF NATIONAL BUREAU DIRECTORS TO
PUBLICATIONS REPORTING CONFERENCE PROCEEDINGS

Since the present volume is a record of conference proceedings, it has been exempted from the rules governing submission of manuscripts to, and critical review by, the Board of Directors of the National Bureau. It has, however, been reviewed and accepted for publication by the Director of Research.

*(Resolution adopted July 6, 1948
and revised November 21, 1949)*

PREFATORY NOTE

This volume of *Studies in Income and Wealth* is devoted to the discussion of short-term forecasting. It contains the papers delivered at the meetings of the Conference on Research in Income and Wealth held in September 1951, together with the comments of participants.

To the University of Michigan we express our appreciation for the use of its facilities. Grateful acknowledgment is also made of the services of Irwin Friend, Chairman, Homer Jones, and Franco Modigliani, who organized the program, of Lawrence R. Klein, who edited the volume, and of H. Irving Forman, who prepared the charts.
