

This PDF is a selection from an out-of-print volume from the National Bureau of Economic Research

Volume Title: The Regulated Economy: A Historical Approach to Political Economy

Volume Author/Editor: Claudia Goldin and Gary D. Libecap, editors

Volume Publisher: University of Chicago Press

Volume ISBN: 0-226-30110-9

Volume URL: <http://www.nber.org/books/gold94-1>

Conference Date: May 20-21, 1993

Publication Date: January 1994

Chapter Title: List of Contributors, Indexes

Chapter Author: Claudia Goldin, Gary D. Libecap

Chapter URL: <http://www.nber.org/chapters/c6579>

Chapter pages in book: (p. 299 - 314)

---

# Subject Index

- Agricultural Adjustment Act (1933), 189–90  
Agricultural Adjustment Administration (AAA): cartelization under, 204–11; control of supply, 198–200; function of, 190  
Agricultural Marketing Act (1929), 198n42  
AIM. *See* Associated Industries of Missouri (AIM)  
American Federation of Labor (AFL), 224, 228  
Asset specificity: assumption in state utility regulation, 56; role in municipal/state regulation debate, 76  
Associated Industries of Missouri (AIM), 274–75  
  
Bank capital: taxation: Massachusetts (1820–60), 133–34; taxation: New York state, 134–35; taxation: Rhode Island, 134  
Bank chartering: incentives to restrict, 135–36; Maryland and South Carolina, 137–38; monopolistic privileges created by, 129; New York, 134–35; Pennsylvania, 135–36; state-level, 125; Virginia, 138–39  
Bank failures: increase in number (1930s), 165–67; severity of losses (1930s), 170–72  
Banking Acts (1933, 1934), 175, 176  
Banking systems: characteristics in states authoring deposit insurance, 155–56, 158; crisis (1930s), 166–77; development of unit banking, 148; evolution linked to deposit insurance, 147–50; link to deposit insurance history, 147–48; reform debate during Depression (1930s), 164–77; state-level branch banking policy, 159, 161; state-level nineteenth-century regulation, 125. *See also* Deposit insurance, federal; Deposit insurance, state-level; Insurance, banking; Mutual-guarantee systems, banking; Revenues (from state banks); Taxation  
Banks: grouped by region, population, and bank capital, 129–33; increase: Massachusetts (1820–60), 133–34; increase: New York state, 135  
Bidding process (railroad construction), 26–29  
  
California Fruit Growers Exchange (CFGE): lobbying for federal regulation, 196–98; pool administration, 204; role in marketing agreements, 192  
Capper-Volstead Act (1922), 198n42  
Cartelization: Agricultural Administration Act provisions for, 190–93; factors in successful, 192; failure of attempts, 200–201, 216–18; failure to establish citrus industry, 192–93, 195; orange industry pooling arrangements, 204–11; orange marketing agreements potential for, 192; with railroad regulation, 29–33; role of pooling arrangements in, 204. *See also* Monopoly; Price fixing policy (Agricultural Adjustment Act)  
CFGE. *See* California Fruit Growers Exchange (CFGE)  
*Chicago Burlington and Quincy Railroad v. Iowa* (1877), 17n11

- Chicago City Council: control of gas industry (pre-1905), 63–64; regulatory functions, 58, 68–70
- Chicago Gas Light Co. v. Peoples Gas Light Co.* (1887), 64
- Chicago Gas Trust Company: formation, 60; role in shaping Gas Acts, 64–65
- Chicago, Milwaukee, and St. Paul Railroad v. Ackley* (1877), 17n11
- Citizens Gaslight Company v. Louisville Gas Company* (1883), 55n1
- City of Chicago v. Darius O. Mills* (1907), 63
- City of LaHarpe v. Elm Township Gas, Light, Fuel & Power Company* (1904), 55n1
- City of Noblesville v. Noblesville Gas & Improvement Company* (1901), 55n1
- Coal gas technology, 58–60
- Coalition formation: around regulation stringency, 96; during Progressive Era, 259–60; response to party differentiation, 81–82; for workers' compensation in Missouri, 276–87
- Coalitions: in literacy legislation, 231–37; to oppose unrestricted immigration, 224–25, 227–40; organization of members of Congress, 81; for Reagan railroad regulation bill, 101–5, 109–10; in support of workers' compensation, 265–68. *See also* Interest groups
- Competition: in Chicago gas industry, 57–60; effect of regulation, 29–33; effect on railroad rate setting, 18–23; of interest groups to shape workers' compensation, 264; in orange industry, 196; for railroad routes, 25–33; unregulated in Chicago gas industry, 58–64
- Constituent interest: in building coalition, 83; in constitutional convention, 34–36; in implementation of regulation, 211; inferred in federal deposit insurance debate, 152–54; measurement from voting records, 152; median and within-constituency party interests, 96; in railroad regulation legislation, 110; role of orange growers in regulation, 196–204
- Constitutional conventions theory, 34–36
- Cooperative Marketing Act (1926), 198n42
- Cooperatives, agricultural: design and effect of pooling arrangements, 204–11; role in implementing orange industry regulations, 198
- Cullom bills (1884, 1886), 105–8
- Dartmouth College v. Woodward* (1819), 16–17, 28
- Data sources: immigrant wage analysis, 245–46; influence on voters of proposed workers' compensation features, 278–79; voting behavior analysis, 36, 44
- Deposit insurance, federal: characteristics of authors of proposed legislation, 179–85; characteristics of roll-call voting on, 159–64; debate during Depression, 164–70; demand for and debate over, 145–47, 150–52; opponents and supporters (1930s), 172; proposed amendment to Federal Reserve Act (1913), 159–64; proposed legislation (1886–1933), 152–54; proposed legislation (1929–32), 166–67; proposed reform, 178; states with authors of proposed legislation for, 154–59; voting on proposed, 152–54; winners and losers, 176–77
- Deposit insurance, state-level, 146, 148–50
- Electorate: effect on voting of changed composition, 236–39
- Electric industry, Chicago, 66
- Emergency Bank Act (1933), 168
- Emergency Quota Act (1921), 223, 237–39, 255
- Employers: immigrant restriction policy, 224, 228; role in Missouri workers' compensation law, 267, 274–76
- Enabling Act (1905), Illinois: question of constitutionality, 68–71; regulatory power over gas industry, 58
- FCE. *See* Florida Citrus Exchange (FCE)
- FCHA. *See* Florida Citrus Growers Clearing House Association (FCHA)
- Federal Deposit Insurance Act (1950), 178
- Federal Deposit Insurance Corporation (FDIC): establishment, 175–76; plan for, 174. *See also* Temporary Deposit Insurance Fund
- Federal Reserve Act (1913) [deposit insurance amendment], 159–64
- Federal Reserve System, 175–76
- Fiscal interest, state: effect of: Virginia, 138–39; effect on regulatory policy, 122–25; investment in banks: Maryland, 137; for state-level nineteenth-century banks, 125, 133–43; western regional group, 139–42. *See also* Revenues; Taxation

- Florida Citrus Commission, 216
- Florida Citrus Exchange (FCE): function of, 197; positions on state administrative committee, 200; role in development of marketing orders, 199
- Florida Citrus Growers Clearing House Association (FCHA): attempts to modify marketing agreement, 200; draft of marketing agreement, 199
- Free Banking Act (1838), New York state, 135
- Free riding: with municipal regulation, 75, 77
- Gas Acts (1897), Illinois: effect of passage, 57–58, 60, 66–68, 76; legislative history, 64–66
- Gas Consolidation Act (1897), Chicago, 64–65, 68
- Gas industry, Chicago: market structure and performance, 58–62; with minimal municipal regulation, 62–64; monopoly created by Gas Acts, 66–67; phases in early history of, 57–58; role in shaping Gas Acts and state regulation, 64–65, 77; technological change, 57; as unregulated monopoly, 64. *See also* Chicago Gas Trust Company; Coal gas technology; Water gas technology
- Glass-Steagall Act (1931), 165
- Government intervention: to cartelize agricultural sector, 190–95; orange growers' objectives for, 196; related to banking crisis of 1930s, 164–76
- Grain warehouses: discussion of regulation in Illinois constitutional convention, 43; provisions in Illinois constitution (1870), 51–52; regulation in Illinois constitution (1870), 33–49; state-level regulation, 16, 21
- Granger laws: effect on railroad investment, 46–48; organized interests to enact public policy, 23–33; state-level regulation of railroads and grain warehouses, 21–23; theories related to adoption of, 31–33
- Granger railroad cases, 17–18. *See also* Granger laws; Interest groups; Railroad monopolies
- Illinois Constitution (1870): interest group behavior related to, 33–46; provisions related to railroad and grain warehouses, 49–52; revision, 15
- Illinois Legislative Public Utilities Commission, 71
- Illinois Public Utilities Act (1913), 71–72
- Illinois Public Utilities Commission, 58

### **Strategic Factors in Nineteenth Century American Economic History A Volume to Honor Robert W. Fogel**

*Edited by Claudia Goldin and Hugh Rockoff*

"In this excellent collection of papers honoring Robert W. Fogel, his students and colleagues carefully examine the broad terrain of the nineteenth-century economy. The essays cover demography, finance, slavery, railroads, politics, labor markets, agriculture, and manufacturing. . . . This volume stands as eloquent testimony not only that Robert W. Fogel's work will endure but also that he has inspired and enlivened a generation of colleagues and students."—John Joseph Wallis, *Journal of American History*

*Journal of American History*

An NBER Conference Report

### **Monetary Policy in the United States**

#### **An Intellectual and Institutional History**

*Richard H. Timberlake*

Timberlake demystifies two centuries of monetary policy, chronicling the intellectual, political, and economic developments that prompted the use of central banking institutions to regulate the monetary system. "An impressive work of scholarship that will undoubtedly become a standard reference work. It is authoritative and comprehensive in its coverage of governmental measures that have affected the monetary policy of the United States over nearly two centuries."—Milton Friedman
