Volume Editors' Acknowledgments

The conference from which the volume was developed was organized under the auspices of the Conference on Research in Income and Wealth by a committee consisting of Ernst R. Berndt, Timothy F. Bresnahan, Marilyn E. Manser, and Zvi Griliches, chairman. They also served as the editorial committee

for this volume. We are grateful to the National Science Foundation and the Sloan Foundation for financial aid in this endeavor.

We are indebted to many people who helped make this conference a success and helped in the production of this volume, but especially to Geoffrey Carliner, Jeanette DeHaan, Kirsten Foss, Ilana Hardesty, Charles Hulten, Jane Konkel, and Annie Spillane.
